Everyone loves nature, but most of us are just too busy to take the time to notice what is around us.

### DISCOVERY TIP

You can use a smart phone with a camera to take photos of your discoveries. If you have no camera, then just use a pencil and a notebook, or try doing quick sketches of what you see.

Find out when the local buses run on the EYMS website [www.eyms.co.uk/busservices](http://www.eyms.co.uk/busservices)

Always follow the countryside code. Be safe – plan ahead and follow the signs. Keep dogs under close control, protect plants and animals and take your litter home. Leave gates and property as you find them and consider other people.
