**Proposed Submission Local Plan**  
**Regulation 19 of the Town and Country Planning (Local Planning) (England) Regulations 2012**

North Yorkshire County Council, City of York Council and the North York Moors National Park Authority are publishing a Local Plan, referred to as the Minerals and Waste Joint Plan ('Joint Plan') and accompanying Policies Map. The Joint Plan covers the whole of the administrative area of the three Authorities outside the Yorkshire Dales National Park.

**Subject Matter:**

The Minerals and Waste Joint Plan sets out the three Authorities' approach to taking decisions on planning applications for minerals, such as quarrying, mining and gas extraction, and waste development including waste recycling, treatment and disposal, up to 31<sup>st</sup> December 2030. The purpose of the Joint Plan is to provide guidance to developers, local communities and other interested parties on where and when minerals and waste development may be expected, as well as how it will be managed to reduce any adverse impacts and maximise any benefits.

**Period within which representations to Main Modifications may be made:**

Representations on the published Joint Plan can be made within the eight week period from Wednesday 21<sup>st</sup> July to Wednesday 15<sup>th</sup> September 2021.

**All responses must include contact details and must be received by no later than 5pm on Wednesday 15<sup>th</sup> September 2021. Responses received after this deadline will not be accepted.**

**How to make representations on the Joint Plan and availability of documents:**

The Joint Plan and supporting documentation is available to view on the Joint Plan Website:

<https://www.northyorks.gov.uk/planning-and-conservation/planning-policy/planning-policy-minerals-and-waste/minerals-and-waste-joint-plan/minerals-and-waste-joint-plan-examination>

Representations on the Joint Plan should be made in writing or by electronic communication, preferably using the response form. Paper copies of the response form can be downloaded from, the Joint Plan Website: [Minerals and waste joint plan examination](#).

Representations at this stage should only be made on the legal and procedural compliance of the Main Modifications, and on the soundness of the Main Modifications. All duly made representations received will be submitted to the independent Planning Inspector for consideration while writing their report.

*Please note that representations made at this stage in the process cannot remain anonymous, but details will only be used in relation to the Minerals and Waste Joint Plan. Your response will be made available to view as part of the Examination process.*
