2023/24 will be the first year of operation of North Yorkshire Council which replaces the eight authorities currently providing district and county level services.

The new council is responsible for collecting council tax and this leaflet explains how the council tax system operates and how the money raised is used.

# What is Council Tax?

Council tax is a local domestic property-based tax towards the cost of local public services. The new North Yorkshire Council must set a level of council tax to raise sufficient income to meet the expenditure requirements of providing its services. The council receives some government grant and a share of business rates. These are deducted from the council's net expenditure requirement leaving the balance to be collected as council tax.

## Calculating the Total Council Tax

North Yorkshire Council is required to collect £427.730 million of council tax to enable it to provide its services to the public.

The Police, Fire and Crime Commissioner for North Yorkshire and parish and town councils also request North Yorkshire Council to collect money on their behalf:

In 2023/24 people who live in North Yorkshire will pay £529.268m in Council Tax, including Town and Parish Precepts.

This money will go to the following:

Organisation	Amount	Percent
North Yorkshire Council	£378.624m	2.99% increase (Average)
*North Yorkshire Council Adult Social Care	£49.106m	2.00% increase
Town and Parish Councils	£10.231m	7.9% increase
The Police, Fire & Crime Commissioner for North Yorkshire - Police	£71.717m	4.99% increase
The Police, Fire & Crime Commissioner for North Yorkshire - Fire & Rescue	£19.591m	6.61% increase

\* more information on the adult social care precept can be found at [northyorks.gov.uk/budget-council-tax-and-adult-social-care-precept](https://northyorks.gov.uk/budget-council-tax-and-adult-social-care-precept)

## Council Tax bands

Your council tax demand notice is based upon your council tax banding figure which relates to the capital value of your property in 1991. Based on the value of your property on 1st April 1991 your home has been allocated to one of eight possible bands. These council tax bands are then used to determine the level of council tax you need to pay.

							
<b>A</b>	<b>B</b>	<b>C</b>	<b>D</b>	<b>E</b>	<b>F</b>	<b>G</b>	<b>H</b>
<b>Up to £40,000</b> 6/9ths*	<b>Over £40,001 and up to £52,000</b> 7/9ths*	<b>Over £52,001 and up to £68,000</b> 8/9ths*	<b>Over £68,001 and up to £88,000</b> 9/9ths*	<b>Over £88,001 and up to £120,000</b> 11/9ths*	<b>Over £120,001 and up to £160,000</b> 13/9ths*	<b>Over £160,001 and up to £320,000</b> 15/9ths*	<b>Over £320,001</b> 18/9ths*

The amount of council tax payable by a resident is calculated by dividing each requirement (precept) by the number of properties in the relevant area that are equivalent to a Band 'D'. In 2023/24 the overall number of Band D equivalent properties is 243,033.59

\*The tax you then pay for other bands is calculated on 9ths of a Band D property. So, for example, a Band A property would pay 6/9th (i.e. two thirds) of the Band D amount and a Band H 18/9ths (i.e. double) the band D figure.

There is a legal requirement for councils to charge the same core council tax for all properties in the same council tax band.

However, for areas like North Yorkshire going through local government re-organisation, as we bring together the former district and county councils' council tax charges, the law allows an extended period to harmonise to a common charge.

North Yorkshire County Council decided that a two year harmonisation period was the most appropriate so this means for 2023/24 the council tax charges will differ depending on which former district council area the property is in. **These are detailed next.**

If you have a Parish or Town Council or incur special expenses in your area your final bill will also include a charge for these.

Your council tax bill will give you the full details.

## Special expenses

Special expenses are charges to specific parts of the local authority's area rather than the whole. There are two blocks of special expenses for North Yorkshire Council. First, a legacy arrangement from Ryedale District Council whereby it undertook the management of street lighting in particular areas of the district. The special expenses are a specific charge to the residents of the parishes concerned and are estimated as follows:-

Town/Parish	Total cost (£)	Band D equivalent (£)
Malton	12,180	5.32
Norton	21,310	8.23
Pickering Rural	26,510	13.62

Secondly, there will be special expenses for the charter trustee arrangements in Harrogate and Scarborough. Charter trustees are set up after the abolition of a borough council to maintain the continuity of a town charter until such time as a parish council is established. The charter trustees are made up of local councillors representing wards within the boundaries of the town. The estimated costs for 2023/24, covering administration and specific civic duties, are:

Town/Parish	Total cost (£)	Band D equivalent (£)
Harrogate	12,100	0.44
Scarborough	21,000	1.71
