Polling Districts and Polling Places Review

Background

Within each local authority area, legislation requires councils to carry out reviews of the Polling Districts and Polling Places in that area.

The North Yorkshire Council area is divided into polling districts, with one or more polling districts making up a division, and with a polling place being an area or building within a polling district in which a polling station is situated.

The last full statutory review was held in 2018 with a separate review being carried out by each of the seven former District and Borough councils within what is now the North Yorkshire Council area. The Electoral Registration & Administration Act 2013 governs the timings of compulsory reviews. The next compulsory review is due to commence in the 16 month period beginning on 1 October 2023. A council can conduct a review at any time, but it will still have to conduct a full review during the compulsory timeframe.

The council conducted a full polling district and polling place review during October and November 2023. Consultation on these initial proposals closed on Monday 13 November 2023.

The initial proposals were distributed to local community groups, action groups, disability groups, charities, political parties, Ward Councillors, Parish Councils and County Councillors. **Representations were received and considered, and the final recommendations are presented within this document.**

Any changes to polling districts that are approved will be included in the revised electoral register which will be published on 1 February 2024.

Summary of Representations and FINAL Recommendations

All representations received based on the initial proposals can be seen in the following table for ease of reference. Where multiple responses were received about the same polling district, these have been condensed and the uncondensed list is also being published as a separate document. Any changes to the initial proposals are highlighted in the table below and have also been updated within the relevant Ward tables and maps throughout the document.

Consultation Responses & Representations Received to Initial Proposals

No	Division	Polling Districts affected	Commentator	Summary of comment(s)	Assessment of comments	(Acting) Returning Officer's final recommendation
1	Aiskew & Leeming Bar	HBBE02R	Michael Chaloner & Ian Barr, Aiskew & Leeming Barr Parish Council	You are again planning to have no Polling Station in Leeming Bar which results in people traveling significant distances out of their ward from parts of Leeming Bar to Leeming Village Hall to cast their vote. The Reubens Hotel is a suitable venue	Electoral Services officers visited the Reubens Hotel, agree it is suitable and can be booked for use as a polling station	Change polling station to Reubens Hotel, Leeming Bar
2	Aiskew & Leeming Bar	HBBE09R	Member of public	No problem.	Thank you	No change
3	Bedale	HBTA01R	Jonathan Jessop, Carthorpe Parish Council	Our facilities at the Community Hall are currently accessible and suitable for voting.	Thank you	No change
4	Bedale	HBTA19R	Member of public	I am currently a postal voter; however, were this to change, arrangements in Well are satisfactory.	Thank you	No change
5	Catterick Village & Brompton-on-Swale	RICA04R	Diane Kirkham, Catterick Parish Council	The Parish Council think the Booth Memorial Hall is still suitable as the polling station.	Thank you	No change
6	Hipswell & Colburn	RIHI04R	Helen Grant, St Martins Parish Council	There doesn't appear to be any changes for St Martins which I am pleased to see. Parking at The Station can be difficult sometimes and disabled access to the room which is through heavy doors could be difficult for some.	Thank you. Comments about the doors are noted and will be included in election plans	No change

7	Hutton Rudby & Osmotherley	HBOS01R	William Thomas Scott, Carlton Parish Council	I can see no change from existing arrangements to this and neighbouring localities. I am therefore supportive of review with no further comment.	Thank you	No change
8	Morton-on-Swale & Appleton Wiske	HBMO02R	6 members of public	Kirkby Fleetham is a more convenient venue for voters in Great Langton than Danby Wiske	Agree with comments	Change polling station to Kirkby Fleetham Village Hall
9	North Richmondshire	RIME07R	Member of public	Melsonby St James the Great does not have disabled access	The polling station at Melsonby entrance has a lip, the venue has a ramp that will be available to be used.	No change
10	North Richmondshire	RICR05R	Member of public	Village is a good polling station	Thank you	No change
11	Northallerton North & Brompton/ Northallerton South	HBNN02R/ HBNS01R/ HBNS02R	Member of public	Objection to using The Forum as a polling station due to some of the performers it has hosted in the past	The venue is a well used community venue and is suitable for continued use as a polling stations.	No change

12	Northallerton North & Brompton/	HBNN01R/ HBNN02R	Member of public	Now with a new bigger village of Brompton and outer Northallerton on Darlington Road maybe a third venue for the town between Brompton and Northallerton and Romanby and Northallerton North Estate and re sort the polling stations for all.	We agree that new housing developments in the area will require a new polling station, but believe this is better introduced following the scheduled full boundary review	No change
13	Romanby	HBRY01R	Member of public	Remain perfectly suitable	Thank you	No change
14	Stokesley	HBST03R	Michael Canavan, Stokesley Town Council	Accept the No Change proposal.	Thank you	No change
15	Stokesley	HBST02R	Mary Frew, Kirkby Parish Council	The polling station and arrangements remain the same. They are accessible and suitable, no further comments.	Thank you	No change
16	Upper Dales	RILS01R	2 members of public	I am very pleased you are retaining St Mary's Church as I am severely disabled and would have great difficulty accessing Reeth whereas Arkengarthdale Church have improved disabled access	Thank you	No change

17	Upper Dales	RIHA04R	23 respondents including Cllr Yvonne Peacock, Upper Dales Division and Melbecks Parish Council	Low Row village has an older population and they do not have transport and have limited public transport. Closing Low Row will make it more difficult to vote. The village hall has started to update the hall and one of the aims is better access when they can afford.	The comments about accessibility to the hall and future plans are noted.	Retain polling station at Low Row.
18	Upper Dales	RILS05R	3 members of public	Supportive of continued use of current polling station	Thank you	No change

The arrangements for Upper Dales division are considered to be satisfactory for electors – notwithstanding the caveat below - and no changes to the boundaries or polling places are proposed. The initial proposals have been amended so that the final proposals for Melbecks parish are for no change to the existing arrangements.

Thoralby Village Hall has only a narrow entrance that offers level access, but no suitable alternative is available in the locality.

Electoral Division Name: Upper Dales
