Please give us details of the vehicle you need to register

Vehicle registration no:

Vehicle make:

Vehicle model:

Vehicle sizes

Length (M):

Height unladen (M):

Gross vehicle weight (KG):

Charities must supply their registered charity number, community interest group (being a company which is registered as such with the Registrar of Companies) their registration number, or as a not for profit body a signed copy of your formally adopted constitution and a letterhead for your organisation. If you are acting as a charity but are not registered with the Charity Commission, we will be unable to register you to use our HWRCs unless you provide details of your exemption or exception from registration as a charity.

Terms and conditions

I understand that

- The council may contact me using the contact details I have used to register with to review the details held as part of its routine data protection checks and (re)registration processes.
- As the applicant I am responsible for the use of the vehicle when it is used to deliver waste to a HWRC and that the proof of registration pass is not transferable between vehicles.
- I must inform you in writing of any changes to the information given and that failure to do so will invalidate my registration and will mean I am unable to use the HWRCs in this vehicle.
- Proof of registration allows disposal of charity waste. If the vehicle is used to dispose of vehicle tyres or commercial waste, I will be charged.
- If I no longer use this vehicle to dispose of charity waste at the HWRCs, I will return my proof of registration pass to: Transport Waste and Countryside Services, Business and Environmental Services, North Yorkshire Council, County Hall, Northallerton DL7 8AH.
- Any abuse of the proof of registration will lead to it being withdrawn.
- It is an offence under section 33 of the Environmental Protection Act (1990) to deposit controlled waste, or knowingly cause or knowingly permit controlled waste to be deposited in or on any land unless a waste management licence (permit) authorising the deposit is in force and the deposit is in accordance with the licence (permit).
- If I transport charity waste, I am required to possess a Waste Carriers Licence available from the Environment Agency.
- It is an offence under section 34 of the Environmental Protection Act 1990 if I fail to furnish a controlled waste transfer note when transferring certain wastes.
- I need to complete all sections of the registration form as the council will be unable to complete the registration process if not all the required details are received.

I have read and understood the terms and conditions as stated above and confirm the details I have given are correct

Signed:

Date: / /

We collect the personal data so we can comply with our responsibilities under the Environmental Protection Act 1990. Where personal data is supplied to us and we have recorded it as part of our Waste Management Service the processing will be based upon the Public Task, Legal Obligation and Consent lawful bases. Further information on how and why we process your personal data is available in the Waste Management Service privacy notice, a copy of which is available on the council website, <https://www.northyorks.gov.uk/privacy-notices>. Please contact us on the details below if you require this information in another format.

Please return your completed form including your supporting evidence to:
waste.management@northyorks.gov.uk
