Polling Districts and Polling Places Review

Background

Within each local authority area, legislation requires councils to carry out reviews of the Polling Districts and Polling Places in that area.

The North Yorkshire Council area is divided into polling districts, with one or more polling districts making up a division, and with a polling place being an area or building within a polling district in which a polling station is situated.

The last full statutory review was held in 2018 with a separate review being carried out by each of the seven former District and Borough councils within what is now the North Yorkshire Council area. The Electoral Registration & Administration Act 2013 governs the timings of compulsory reviews. The next compulsory review is due to commence in the 16 month period beginning on 1 October 2023. A council can conduct a review at any time, but it will still have to conduct a full review during the compulsory timeframe.

The council conducted a full polling district and polling place review during October and November 2023. Consultation on these initial proposals closed on Monday 13 November 2023.

The initial proposals were distributed to local community groups, action groups, disability groups, charities, political parties, Ward Councillors, Parish Councils and County Councillors. **Representations were received and considered, and the final recommendations are presented within this document.**

Any changes to polling districts that are approved will be included in the revised electoral register which will be published on 1 February 2024.

Summary of Representations and FINAL Recommendations

All representations received based on the initial proposals can be seen in the following table for ease of reference. Where multiple responses were received about the same polling district, these have been condensed and the uncondensed list is also being published as a separate document. Any changes to the initial proposals are highlighted in the table below and have also been updated within the relevant Ward tables and maps throughout the document.

Consultation Responses & Representations Received to Initial Proposals

No	Division	Polling Districts affected	Commentator	Summary of comment(s)	Assessment of comments	(Acting) Returning Officer's final recommendation
1	Amotherby & Ampleforth	RYAAT	Mrs N Ballard, Amotherby Parish Council and a member of the public	No change needed. Polling station is central to area and accessible.	Thank you	No change
2	Amotherby & Ampleforth	RYACT	Member of public	Pleased to see great Habton Hall continues to be a designated polling station. It has good access inside and out and it central to the community.	Thank you	No change
3	Helmsley & Sinnington	RYFCT	Member of public	Happy to continue going to Helmsley to vote	Thank you	No change
4	Helmsley & Sinnington	RYFJT	Member of public	Rievaulx is a very small village, where the polling station has always been the Village Hall. As half the village residents are elderly and don't drive or have computers or smartphones, it's important that we continue to be able to vote in the Village Hall.	The Village Hall at Rievaulx is not accessible to disabled voters and no suitable alternative is available within the polling district	No change
5	Hillside & Raskelf	HBBA01T	Two members of the public	The Greyhound, Bagby, has been used several times now as local polling station and is very convenient works well for all local residents.	Thank you	No change

6	Hillside & Raskelf	HBBA21T	Geoffrey Davis, Thornton-Le-Beans Parish Council	We are happy we are retaining our existing arrangements.	Thank you	No change
7	Hillside & Raskelf	HBRA12T	Carol Fenwick, Husthwaite Parish Council and Parish Council as a whole	Proposed polling station is accessible and the best option for the community	Thank you	No change
8	Huby & Tollerton	HBHU07T	Member of public	Farlington got on residents forced to vote 2.5 miles away in Stillington. I suggest not easy for all.	No suitable alternative within the polling district has been identified during the consultation period.	No change
9	Huby & Tollerton	HBEA09T	Member of public	Convenient site, but if there has been rain the pedestrian path outside the Community Centre floods as the pavement has sunk where the road crossing is, making access to the centre difficult on foot.	Comment about the path is noted and will be considered during election preparations	No change
10	Malton	RYWCT	Member of public	Rainbow Lane Community Centre - very suitable, accessible	Thank you	No change
11	Sheriff Hutton & Derwent	RYEJT	James Johnston, Leavening Parish Council	This looks relatively straightforward and is an important review to take forward. We are happy with the recommendation for Leavening Parish.	Thank you	No change
12	Sheriff Hutton & Derwent	RYQAT	Member of public	No changes are proposed for Flaxton - I am content	Thank you	No change
13	Sowerby & Topcliffe	HBSO05T	Member of public	Happy with Sowerby Scout Hut	Thank you	No change

14	Sowerby & Topcliffe	HBSO05T	Two members of public	I am concerned that the people of Sowerby Gateway do not have a nearer polling place. It is almost two miles for some voters. There could have been a place at the Hub in Orchid House? This is not accessible for some, there is no transport service and will mean some people walking quite a long way in the dark after work.	We agree a second polling station is required. We made an enquiry about booking the Hub, but were told it was not available due to existing bookings.	Create new polling district for Sowerby Gateway, and change polling station when a suitable venue is identified. Until then, no change to polling station.
17	Thirsk	HBTH07T	Member of public	I have no problem with the proposal	Thank you	No change
18	Thornton Dale & Wolds	RYSFT	Levisham Parish Meeting	It's not changed. The poll place is as it's always been at Lockton. Non drivers can not access and would vote via mail.	Thank you	No change
19	Thornton Dale & Wolds	RYTDT	Gerald Bainbridge, Thixendale Parish Council	Status Quo, hence no comments.	Thank you	No change
20	Thornton Dale & Wolds	RYTET	Femi Shellard, Weaverthorpe Parish Council	I am pleased that there aren't any plans to change the Polling Place in Weaverthorpe as the Village Hall is fully accessible.	Thank you	No change

TMMG	HBSO06T	Topcliffe	Topcliffe	Topcliffe Village Hall	Yes	735	91	644	No change to polling station.

Due to the scale of new homes built in Sowerby Gateway, it is agreed with consultation responses received that a second polling station for Sowerby parish is warranted. It is proposed that polling district HBSO05T is split into 2 new polling districts. Electoral Services enquired about using the

Community Hub at Orchid House as a polling station, but were unable to get agreement for current building users to move their existing bookings to allow for this. It is proposed therefore that voting continues to take place at Sowerby Scout Hut for all until a suitable second polling place is identified.

The polling place arrangements for Thornton Dale & Wolds division are considered to be satisfactory for electors and no changes polling places are proposed.

It is proposed that the polling districts RYNDT and RYNET are merged as they are in the same parish and already use the same polling station.

Electoral Division Name: Thornton Dales & Wolds
