
Audio Books

**Can't find time to read?
Print too small?**

You don't have to miss out on a great story.

Whether in the car or busy around the house, there's always time for an audio book.

A wide variety of titles – fiction and non-fiction, for adults and children – are available for your enjoyment on both Cassette and Compact Disc.

Audio books are available free of charge if you have difficulty in reading or holding an ordinary book.

Library Information

Joining

Proof of identity with your name and address is required to borrow audio-visual items.

Charges

A small hire fee is charged for a one-week loan of most items. Audio books and language courses are loaned for longer. But remember, you will be asked to pay for a further loan period if you bring them back late.

Reservations

Not all items are available at every library, but you do have access to them through the reservation system. Reserving audio-visual items is free of charge and they will be sent to your local library for you to collect.
