# ESOL Courses

(English for Speakers of Other Languages)

2009-2010

Selby Area

ESOL courses are for you if your first language is not English, you are now living in the United Kingdom and you want an English qualification.

On each course you will work towards a City and Guilds ESOL Skills for Life certificate. This certificate is offered at Entry Level 1 up to Level 2. In each of our classes you will cover speaking, listening, reading and writing in everyday situations. We have excellent tutors who will plan the class work around your needs.

We have two types of class.

English Express (ESOL) is for those who do not have time for a lengthy course and who need a certificate quickly. You may be applying for citizenship or need a qualification for work or college.

ESOL Improvers is for those who wish to study for a qualification over a longer period of time in a more relaxed environment.

You will also have the opportunity to meet one of our Community Development Workers who can offer free information sessions. They may be able to help you look for a job, write a C.V. and match the certificates you already have to equivalent qualifications in the U.K.
