

## Knaresborough Neighbourhood Area Consultation - tell us what you think

Under the government's new localism agenda, local people are able to create a Neighbourhood Plan to guide development where they live. Knaresborough Town Council, with support from Harrogate Borough Council (HBC), is leading on the preparation of a new Neighbourhood Development Plan. This plan will sit within the strategic planning context set out in Harrogate Borough Council's 'Core Strategy' and 'Sites & Policies Development Plan Document'.

To start the process, HBC needs to formally designate a **Neighbourhood Area**. The Town Council propose this area should match the current Knaresborough parish area as shown on the map overleaf. Do you agree that this is an appropriate boundary to use?

The Town Council has also produced a Statement to support their proposal and you can read it in full at Knaresborough Library, Knaresborough House or online at www.harrogate.gov.uk/neighbourhoodplanning

Please tell us what you think, by sending us your answers to, and comments on, the two questions overleaf: (note: this questionnaire can also be completed online at www.harrogate.gov.uk/neighbourhoodplanning)

Your contact details (note, we are not able to consider anonymous comments):

Name: ...... email: ..... Address: ....

Please be aware that all comments received will be made publicly available and will be fully attributable to individual respondents (only your name will be used for publication). Your details will be retained by HBC for future consultation. Following designation of the neighbourhood area your contact details will also be shared with Knaresborough Town Council so that they can keep you informed as the Neighbourhood Plan develops. Your personal information will not be shared or processed for any other purpose. Please tick the box  $\Box$  if you do not agree to us sharing your details.
