

Community Governance Review - Newby and Scalby

On 1 April 2023 Scarborough Borough Council will be dissolved to be replaced by the new North Yorkshire Council. On that date Charter Trustees will be established for the unparished parts of Scarborough town which will ensure the continuation of Mayoral and other ceremonial functions, but would not have powers to deliver any services.

If a town or parish council is established, the Charter Trustee areas would be dissolved. If there is no new town or parish council the Charter Trustees will continue and only be abolished if a parish council is created in the future.

Residents in Charles William Apartments on North Leas Avenue may feel they identify better with Newby & Scalby Town Council, rather than Scarborough Town.

Charter trustee / parish council

Option 1 - To create a parish council for the unparished part of Scarborough town centre and include the unparished part of Charles William Apartments within it. The parish council would provide local services and take over ceremonial functions of the charter trustees who would dissolve.

Option 2 – The unparished part of Charles William Apartments becomes part of Newby & Scalby Town Council and the unparished part of Scarborough town centre becomes a separate parish. The newly created Scarborough town centre parish would provide local services and take over ceremonial functions of the charter trustees who would dissolve.

Option 3 – To leave Scarborough town centre and the unparished part of Charles William Apartments unparished. The charter trustees would remain in place and continue to undertake ceremonial functions only.

Option 4 – The unparished part of Charles William Apartments becomes part of Newby & Scalby Town Council and the unparished part of Scarborough town centre remains unparished. The charter trustees would remain in place and continue to undertake ceremonial functions only for the unparished part of Scarborough town centre.
