TOWN AND COUNTRY PLANNING ACT 1990

TOWN AND COUNTRY PLANNING (TREE PRESERVATION) (ENGLAND) REGULATIONS 2012

THE CRAVEN DISTRICT COUNCIL TREE PRESERVATION ORDER NO 218 2014 – LONG PRESTON PARISH

THIS IS A FORMAL NOTICE to let you know that on 7th May 2014 Craven District Council made the above tree preservation order.

A copy of the order is enclosed. In simple terms, it prohibits anyone from cutting down, uprooting, damaging, destroying, topping or lopping any of the trees described in the Schedule and shown on the map without the Council's consent. Anyone who carries out works prohibited by the order is guilty of an offence and can be fined up to £20,000 by a Magistrates' Court (for each tree affected). Unlimited fines can be imposed by the Crown Court.

The Council have made the order because the tree is situated in a prominent position and adds significantly to the setting. It is desirable that it should be protected against indiscriminate lopping or felling.

The order takes effect, on a provisional basis, on 7th May 2014. It will continue in force on this basis for 6 months or until the order is confirmed by the Council, whichever first occurs.

The Council will consider whether the order should be confirmed, that is to say, whether it should take effect permanently. Before this decision is made, the people affected by the order have a right to make objections or other representations about any of the trees, groups of trees or woodlands covered by the order.

If you would like to make any objections or other comments, please make sure the Council receives them in writing by 6th June 2014. Your comments must comply with regulation 6 of the Town and Country Planning (Tree Preservation) (England) Regulations 2012, a copy of which is provided overleaf. Send your comments to the Council's Planning Services Department at the address below. All valid objections or representations are carefully considered before a decision on whether to confirm the order is made.

The Council will write to you again when that decision has been made. In the meantime, if you would like any further information or have any questions about this letter, please contact the Council's Trees Officer on 01756 706265.
