- Blacked out spaces show which spaces not to use.
- The inscription is all the same size. Due to the tablet being circular less characters will fit on the first two lines and the last two lines.
- We suggest using line three and four for the name.
- The fixing holes are located at the top of the tablet.
- Do not forget to include spaces in your inscription. A space counts as a letter or number.
- We will centre the text on the tablet, this guide box is only to aid your choice of inscription.
- The inscription must be clearly written in block capitals. We are unable to accept responsibility for any incorrect inscription due to illegible or ambiguous writing.
