Which local authorities are committed to commissioning places (including the number of places)?	North Yorkshire Council: 120
Number of places	120
<p>Per-pupil revenue funding the local authority would expect to pay (if a range of rates, please explain and detail the rates per pupil, including estimates for how many of the cohort will be in each band)</p> <p>*Funding rates have been provided by the local authority. Please speak to the local authority contact for further information.</p>	<p>The LA anticipates that the element 3 funding for this provision would be in the range of £11,000 per pupil – but because North Yorkshire operates a funding system based on individual banding assessments, this cannot be guaranteed (for instance, the funding rates will be dependent upon the actual profile of young persons placed in the school). For the financial year 2023-24, the funding rates will be:</p> <ul style="list-style-type: none"> - Band 6 - £5,770 - Band 7 - £8,820 - Band 8 - £10,530 - Band 9 - £14,620 <p>In a small number of exceptional cases, pupils can qualify for Band 10 funding which is at a level linked to the specific programme needs of the young person. It would be expected that 50% to 60% of pupils would be funded at Band 8.</p>
