

**PROPOSED CREATION OF 40mph SPEED LIMIT: A1041, through Camblesforth**

The County Council as the Highway Authority for North Yorkshire considers that it is expedient to make the Traffic Regulation Order on one or more of the grounds contained in Section 1 of the Road Traffic Regulation Act 1984, as indicated below:

1. For avoiding danger to persons or other traffic using the road, or for preventing the likelihood of any such danger arising,
2. for improving the amenities of the area through which the road runs,
3. for preventing the use of the road by vehicular traffic in a manner which is unsuitable having regard to the existing character of the road.

The proposal seeks to achieve the following:

**CAMBLESFORTH – A1041**

- The implementation of a 40mph speed limit from the existing 40mph signs at the north west side of the village for 1340m to existing 40mph signs at the south east side of the village
- The proposals are illustrated on A1041, Camblesforth
