Applicants are advised to read 'Part 1 of the Commons Act 2006: Guidance to applicants' and to note:

- **This form provides (in Part A) for the express surrender by way of deed of a right of common which is registered in the commons register and (in Part B) for the application to remove such right from the register, under section 13 of the Commons Act 2006.** Although there is no requirement that you use a solicitor or other professional adviser to complete the form, please be aware that the commons registration authority can only assist in completion of the clerical aspects of the form, and persons with legal queries should seek advice from a solicitor or other professional adviser before completing the form.
- The express surrender of a registered right of common will in most cases need to be effected by way of deed to operate at law (see section 52(1) of the Law of Property Act 1925). You need not use the form of deed in Part A of this form to effect such a surrender, but if you do not, you will instead need to attach to your application your own deed of surrender (or, if a deed is not required, explain why this is the case). Where the deed of surrender in Part A is not being used, only Part B of this form needs to be completed. The surrender of a registered right of common is not effective in law until the registered right has been removed from the register of common land or of town or village greens pursuant to an application made using Part B of this form.
- Only the following persons can apply to remove a registered right of common from the register under section 13: the owner of either the land to which the right of common is attached (known as the Dominant Land) or owner of the right in gross (in either case the Surrendering Rightholder) or the owner of any part of the land over which the right is exercisable (the Servient Landowner).
- You will be required to pay a fee for your application. Ask the registration authority for details. You would have to pay a separate fee should your application be referred to the Planning Inspectorate.
