

STATEMENT OF REASONS

PROPOSED EXTENSION of 30mph SPEED LIMIT: Heck Lane, Hensall

The Council as the Highway Authority for North Yorkshire considers that it is expedient to make the Traffic Regulation Order on one or more of the grounds contained in Section 1 of the Road Traffic Regulation Act 1984, as indicated below:

1. For avoiding danger to persons or other traffic using the road, or for preventing the likelihood of any such danger arising,
2. for improving the amenities of the area through which the road runs,
3. for preventing the use of the road by vehicular traffic in a manner which is unsuitable having regard to the existing character of the road.

The proposal seeks to achieve the following:

Heck Lane, Heck

- The extension of the existing 30mph speed limit from its current terminal point 120m south at the present time the existing 30mph speed limit (restricted road) is inappropriate with regard to the level of residential development and characteristics of the road.
- The proposals are illustrated on Plan Heck Lane 30mph Extension
