Dear [REDACTED],

I am making good progress with the above examination and have completed my initial assessment although I am yet to visit the area which I hope to do in the coming week.

Some matters have arisen on which I would be grateful for your kind assistance. Subject to the satisfactory resolution of these issues, I do not consider at this stage that a hearing will be needed, but this will depend on the information provided. It is not unusual at all for me to have a few queries or to ask for some further information so I'd like to reassure the Parish Council that this is quite 'normal' for me and should not be regarded as 'negative' in any way. In the main, the queries relate to the practical application of the policies and pointing me in the direction of information to help me better understand the evolution of the policies and their intended outcomes.

I would be most grateful if both Councils as appropriate would respond to these queries which are detailed in the attachment. I have sent you this in word format so that some of the answers may be easily added in to it if you so wish.

I would usually suggest a week or so to come back to me with the responses to maintain momentum with the examination however I am conscious I am asking for quite a lot of work to be done and I am also away from the office on site visits for the best part of the next fortnight or so therefore please may I ask for your response by close of business on **Thursday 5 October**. However, if a little more time is needed please let me know so we can agree a new date.

It would be very helpful to me if all the answers could be collated together and that just one bundle of responses is sent to me by Joe at NYC please.

This email, the attachment with the questions (and the responses to them) will be a matter of public record and should be placed on the appropriate websites.

With many thanks in anticipation of your kind assistance, and of course please do not hesitate to contact me if anything is not clear or if any queries arise.

Kindest regards Ann
