or by post to our Town Hall address detailed at the top of this form.

GENERAL DATA PROTECTION REGULATION (GDPR) AND DATA PROTECTION ACT 2018

North Yorkshire Council is the data controller for the purposes of the General Data Protection Regulation (GDPR) and the Data Protection Act 2018.

Using your personal information

We will process your personal information in accordance with the General Data Protection Regulation (GDPR) and the Data Protection Act 2018. We may use your personal information in a number of ways, but only for the purposes for which it was given, for example to provide you with the information or services requested or to administer and protect public funds. We may share your information with, and obtain information about you from, other departments of the council or other organisations where it is lawful to do so, for example to check the accuracy of information or to prevent or detect crime. For further information on how we collect, use, share, secure and retain your personal information, and your legal rights, please see our privacy notice at www.northyorks.gov.uk/gdpr or by contacting Customer First. Our data protection officer can be contacted at the Town Hall, St Nicholas Street, Scarborough, YO11 2HG tel: 0300 131 2 131 or email dataprotection@northyorks.gov.uk.

Terms and Conditions

North Yorkshire Council's Gull Proofing Property Scheme

- 1) North Yorkshire Council will contribute 50% (up to a maximum of £2,000) towards the cost of North Yorkshire Council's contractor (East Coast Pest Control Limited) gull proofing the property.
- 2) The appropriate level of match funding will only be released once the applicant has paid North Yorkshire Council's contractor the full cost of the proofing measures installed and satisfactory evidence, for instance, receipt of payment to our contractor, has been provided to North Yorkshire Council.
- 3) Once North Yorkshire Council funding available for this scheme has been committed and spent, all other applications received will not be accepted.
- 4) The following criteria will be used to assess whether applications received to seagull proof properties will qualify for match funding (on the basis that the appropriate application for this scheme has been correctly completed and submitted to North Yorkshire Council):
 - a) The scheme only applies to properties located within the towns of Whitby, Scarborough or Filey "Town centres". Eligibility will apply either side of any road where the boundary line dissects on these maps and will be subject to a site survey;
 - b) All property types are included in the scheme – irrespective of size, height, or usage, for instance, commercial, residential or mixed use;
 - c) The applicant is satisfied that all required permission and consent (including without limitation planning permission and listed building consent) has been obtained for gull proofing measures to be installed, and has if requested provided evidence of the same to North Yorkshire Council.
 - d) Properties that have already been seagull proofed will not qualify for "retrospective" match funding as part of this scheme;
 - e) Applicants must agree to use North Yorkshire Council's contractor (East Coast Pest Control Limited) to undertake appropriate seagull proofing works, based on their on-site assessment and quotation. Use of other contractors to carry out the same proofing measures will disqualify the applicant from the scheme;
 - f) If it is necessary to choose between competing applications, priority will be given to those which provide either the best monetary return and/or coverage in terms of area of property seagull proofed, and/or in a locality where council intelligence shows is a "hotspot" for either "gull muggings" or causing seagull mess.
- 5) The applicant must accept North Yorkshire Council's contractor's on-site assessment and quotation; if any extra works are done, over and beyond that quoted for by North Yorkshire Council's contractor, it will be the responsibility of the applicant to pay for it.

6) North Yorkshire Council accepts no liability for:

- 6.1 The on-site assessment, quotation, and standard of installation of proofing measures (these will rest solely with North Yorkshire Council's contractor);
- 6.2 The effectiveness of proofing (North Yorkshire Council cannot guarantee that no seagulls will nest on any building); and
- 6.3 The upkeep/maintenance of proofing (this is the responsibility of the property owner/occupier).

The applicant shall indemnify and hold harmless North Yorkshire Council, its employees, agents, officers or contractors with respect to all claims, demands, actions, costs, expenses, losses, damages and all other liabilities arising from or incurred by reason of the actions and/or omissions of the applicant or the applicant's obligations to third parties.

- 7) These terms do not and are not intended to confer any contractual benefit on any person pursuant to the terms of the Contracts (Rights of Third Parties) Act 1999.
- 8) These terms shall be governed by and construed in accordance with the law of England and the parties irrevocably submit to the exclusive jurisdiction of the English courts.
