What is Council Tax?

North Yorkshire Council must set a level of council tax to raise sufficient income to meet the expenditure requirements of providing its services. The council receives a share of government grant and a contribution from the business rate retention scheme. These receipts are deducted from the council's net expenditure requirement leaving the balance to be collected as council tax.

Calculating the Total Council Tax

North Yorkshire Council is required to collect £494.205M of council tax to enable it to provide its services to the public.

The York and North Yorkshire Combined Authority and parish and town councils also request North Yorkshire Council to collect money on their behalf.

Including the elements above, in 2025/26 people who live in North Yorkshire will pay £616.185M in council tax.

This money will go to the following:

Organisation	Amount	Precept
North Yorkshire Council (incl. adult social care precept)*	£494.205m	4.99% increase
Town & Parish Councils	£12.593m	11.83% increase
York and North Yorkshire Combined Authority – Police & Crime Commissioner	£81.757m	4.56% increase
York and North Yorkshire Combined Authority – General Precept (incl Fire & Rescue)	£27.269m	28.91% increase

*Unlike bills in previous years, there is no separate element of your bill for the adult social care precept. This follows new government guidance. Instead, all the money being collected for the council (including that raised through the adult social care precept) is listed as North Yorkshire Council.

Council Tax bands

Your council tax demand notice is based upon your council tax banding figure which relates to the capital value of your property in 1991. Based on the value of your property on 1st April 1991 your home has been allocated to one of eight possible bands. These council tax bands are then used to determine the level of council tax you need to pay.

							
A	B	C	D	E	F	G	H
Up to £40,000 6/9ths*	Over £40,001 and up to £52,000 7/9ths*	Over £52,001 and up to £68,000 8/9ths*	Over £68,001 and up to £88,000 9/9ths*	Over £88,001 and up to £120,000 11/9ths*	Over £120,001 and up to £160,000 13/9ths*	Over £160,001 and up to £320,000 15/9ths*	Over £320,001 18/9ths*

The amount of council tax payable by a resident is calculated by dividing each requirement (precept) by the number of properties in the relevant area that are equivalent to a Band 'D'. In 2025/26 the overall number of Band D equivalent properties is 254805.37

The tax you then pay for other bands is calculated on 9ths of a Band D property. So, for example, a Band A property would pay 6/9th (i.e. two thirds) of the Band D amount and a Band H 18/9ths (i.e. double) the band D figure.

When North Yorkshire Council was created, we decided on a two-year harmonisation period to create a common council tax rate across the former district and borough council areas. As of 2025/26 this is now complete and all properties in the same council tax band are being charged the same core council tax rate.

The Council tax by band is detailed below:

		York & North Yorkshire Combined Authority		
Band	North Yorkshire Council	Mayoral Police & Crime Commissioner	Mayoral General Precept (incl. Fire & Rescue Service)	Total
A	1,293.03	213.91	71.35	1,578.29
B	1,508.53	249.56	83.24	1,841.33
C	1,724.04	285.21	95.13	2,104.38
D	1,939.54	320.86	107.02	2,367.42
E	2,370.55	392.16	130.80	2,893.51
F	2,801.56	463.46	154.58	3,419.60
G	3,232.57	534.77	178.37	3,945.71
H	3,879.08	641.72	214.04	4,734.84

If you have a Parish or Town Council in your area your final bill will also include a charge for these.

Your council tax bill will give you the full details.

Special Expenses

Special Expenses are charges to specific parts of the local authority's area rather than the whole. In previous year's these have related to a legacy arrangement from the former Ryedale District Council for street lighting in particular areas of the district. Because these services have now been absorbed by North Yorkshire Council, the special expenses will no longer apply, and bills will no longer include them.

Scarborough and Harrogate Town Councils

Following the creation of North Yorkshire Council, charter trustees were set up to maintain the continuity of the town charters. They were previously the responsibility of Harrogate and Scarborough Borough Council until town councils could be established for the parts of those two towns that didn't have parish councils. In July, North Yorkshire Council agreed to create town councils for these unparished charter trustee areas.

The town councils will be created with effect from 1 April 2025, with the first elections to be held on Thursday 1 May 2025. The existing charter trustees will be dissolved by virtue of the Local Government (Parishes and Parish Councils) Regulations 2008 as the charter trustee area becomes wholly comprised in the new town council area.

If you live in these areas a new precept will appear on your bill for Scarborough or Harrogate Town Council and the charter trustee precept that appeared on last years' bill will no longer be raised.
