This Order is made by The North Yorkshire Council ("the Authority") under Section 119 of the Highways Act 1980 ("the 1980 Act") because it appears to the Authority that in the interests of the owner(s) of the land crossed by the Public Footpath described in Paragraph 1 of this Order it is expedient that the line of the Public Footpath should be diverted.

Mr Andrew Trewwhitt, Hill House Farm, Appleton Wiske, Northallerton, DL6 2AP has agreed to defray any compensation which becomes payable in consequence of the coming into force of this Order and any expenses which are incurred in bringing the new site of the path into a fit condition for use by the public.

**BY THIS ORDER:**

1. The public right of way over the land situated at Hill House Farm, Appleton Wiske and shown by a bold continuous line on the map contained in this Order and described in Part 1 of the Schedule to this Order shall be stopped up on the date on which the Authority certifies, in accordance with Section 119(3)(b) of the 1980 Act, that work to the new section of path, as described in Part 2 of the Schedule, has been completed to the reasonable satisfaction of the Authority. Under no circumstances shall such certification be given before the date of confirmation of this Order.
2. There shall from the date of the above-mentioned certification be a Public Footpath over the land situated at Hill House Farm, Appleton Wiske described in Part 2 of the Schedule to this Order and shown by a bold broken line on the map contained in this Order.
3. The following works shall be carried out by the applicant in relation to the highway described in Part 2 of the Schedule: install a pedestrian gate at point C, a pedestrian gate at point D, drainage works at Point D to minimise flooding, and install a culvert and a pedestrian gap at Point L.
4. The rights conferred on the public under this Order shall be subject to the limitations and conditions set out in Part 3 of the Schedule.
