

NORTH YORKSHIRE COUNCIL

A61 CARLTON MINIOTT/THIRSK (30MPH SPEED LIMIT) ORDER

Statement of Reasons

The Council as the Highway Authority for North Yorkshire considers that it is expedient to make the Traffic Regulation Order, on one or more of the grounds contained in Section I of the Road Traffic Regulation Act 1984, as indicated below:

- (i) For avoiding danger to persons or other traffic using the road, or for preventing the likelihood of any such danger arising.
- (ii) For improving the amenities of the area through which the road runs.
- (iii) For preventing the use of the road by vehicular traffic in a manner which is unsuitable having regard to the existing character of the road.

The proposal seeks to remove the existing 40 mph speed limits to make a continuous 30mph speed limit along the A61 Carlton Road and Station Road from Carlton Miniott to Thirsk.
