

PROPOSED CREATION OF 20mph SPEED LIMIT: Main Street, Water Lane Kirk Smeaton

North Yorkshire Council as the Highway Authority for North Yorkshire considers that it is expedient to make the Traffic Regulation Order on one or more of the grounds contained in Section 1 of the Road Traffic Regulation Act 1984, as indicated below:

1. For avoiding danger to persons or other traffic using the road, or for preventing the likelihood of any such danger arising,
2. for improving the amenities of the area through which the road runs,
3. for preventing the use of the road by vehicular traffic in a manner which is unsuitable having regard to the existing character of the road.

The proposal seeks to achieve the following:

Main Street, Water Lane Kirk Smeaton.

- Creation of a new 20mph speed limit on Main Street, Water Lane Kirk Smeaton.
- At the present time the existing 30mph speed limit is inappropriate with regard to the presence of a school
- The proposals are illustrated on Plan MSWLKM1
