

Whitby Harbour LOCAL NOTICE TO MARINERS

Harbours, Docks and Piers Clauses Act 1847

Navigable Depths in Whitby Harbour

All Mariners are advised that Whitby Harbour is situated on the estuary of the River Esk, as such the harbour is susceptible to rapid siltation. Although depths are maintained via dredging, no depths can be guaranteed.

All harbour users are advised to exercise caution when navigating within harbour limits and with the observance of good seamanship it advised to work the tides for the best advantage and safety margin.

Further advice can be obtained from Whitby LPS on VHF Channel 11 or Whitby Harbour Office.
