

PROPOSED DISABLED PERSONS PARKING BAYS

The North Yorkshire Council (Disabled Person's Parking Bays) (No.16 Har) Order 2025

STATEMENT OF THE COUNCIL'S REASONS FOR PROPOSING TO MAKE THE ORDER

LEGAL POWERS AND DUTIES

Under Section 1(1) of the Road Traffic Regulation Act 1984 the Council, as traffic authority for North Yorkshire, has powers to make a Traffic Regulation Order (TRO) where it appears expedient to make it on one or more of the following grounds:

- (a) For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or
- (b) For preventing damage to the road or to any building on or near the road, or
- (c) For facilitating the passage on the road or any other road of any class of traffic (including pedestrians), or
- (d) For preventing the use of the road by vehicular traffic of a kind which, or its use by vehicular traffic in a manner which, is unsuitable having regard to the existing character of the road or adjoining property, or
- (e) (Without prejudice to the generality of paragraph (d) above) for preserving the character of the road in a case where it is especially suitable for use by persons on horseback or on foot, or
- (f) For preserving or improving the amenities of the area through which the road runs, or
- (g) For any of the purposes specified in paragraphs (a) to (c) of subsection (1) of Section 87 of the Environment Act 1995 (air quality).

Section 122(1) of the Road Traffic Regulation Act 1984 also provides that it shall be the duty of every local authority upon whom functions are conferred by or under the 1984 Act so to exercise those functions as to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway.

REASONS FOR MAKING THE ORDER

The Council considers that it is expedient to make this TRO on the ground (a) (c) and (f) as mentioned above for the following reasons:

North Yorkshire County Council introduced a new protocol for the introduction of designated disabled parking bays in residential areas in November 2011.

In certain circumstances, 'on-street' parking bays can be implemented in residential areas for the use of disabled people who are Blue Badge holders. These bays provide on street parking for Blue Badge holders who do not have access to off street parking facilities such as a drive or garage outside or near to their home.

Residential disabled parking bays:

- Are provided solely to address access issues
- Provide on-street parking for eligible disabled people near to their home subject to meeting specific highway conditions
- Are not person specific and may be used by any blue badge holder regardless of where they live.
- Require a Traffic Regulation Order to be created before they can be installed
- Are outlined on the road with white lines and a traffic sign

A number of applications have been received from residents across the Harrogate Area at the following locations;

1. **Aismunderby Road, Ripon** – Drawing No. **(A6-AR-RDPB-TRO)**
2. **Bridge View Road, Ripon** – Drawing No. **(A6-BVR-RDPB-TRO)**
3. **Kingwood, Markington** – Drawing No. **(A6-KW-RDPB-TRO)**

Location(s) of Proposed Orders

SCHEDULE 1

WAITING PROHIBITED AT ANY TIME EXCEPT FOR DISABLED BADGE HOLDERS

<u>Column 1</u> <u>Item</u>	<u>Column 2</u> <u>Road</u>	<u>Column 3</u> <u>Side</u>	<u>Column 4</u> <u>Length</u>
1.	Aismunderby Road, Ripon (U3081/2/50)	South West	From a point 17m Southeast of the centre line of Wakeman Road along the Western Kerb Line of Aismunderby Road, to a point 6.6m away in a Southerly direction.
2.	Bridge View Road, Ripon (U2998/2/30)	North West	From a point 10m Southwest of the centre line of Hutton View Road along the Northern Kerb Line of Bridge View Road, to a point 6.6m away in an Easterly direction.
3.	Kingwood, Markington (U2937/2/30)	North East	From the Eastern Boundary of number 21 to a point 6.6m away in a Westerly direction measured along the Northern Kerb Line.

CONSIDERATION OF OBJECTIONS

Under the Council's Constitution, the consideration of objections to a proposed TRO is delegated to the Corporate Director – Environment in consultation with the Environment Executive Members. For each TRO where there are objections, it will be necessary to bring a report to the Corporate Director - Environment and the Executive Members seeking a decision on the consideration of the objections.

The report will include the views of the relevant local member who will also be invited to the meeting that considers the report. The Corporate Director - Environment may wish to refer the matter to the Council's Executive for a final decision.

A report to the relevant Area Committee will only be necessary when there are objections to a wide area impact TRO.

A wide area impact TRO is defined as a proposal satisfying all the three criteria set out below:

- The proposal affects more than one street or road and,
- The proposal affects more than one community and,
- The proposal is located within the ward of more than one Councillor.

The report will seek the views of the Area Committee and these views will then be included in a report to the Corporate Director - Environment and the Executive Members seeking a decision on the consideration of the objections. The Corporate Director – Environment may wish to refer the matter to the Executive for a final decision.

The existing arrangements for members of the public wishing to attend or speak at committee meetings will apply and it may be appropriate for the Corporate Director - Environment to have his decision-making meetings open to the public, so that the public and in particular those with objections, have the opportunity to put their views across directly.

N.B. The Corporate Director - Environment has delegated powers to make decisions on TROs where there are no objections.
