**AGREED ACTIONS :**

Ref	Action	By
1	NYC to recruit seasonal attendant – 7.5 hrs per day May to September. Advertised via usual methods (NYC website, Indeed, Job Centre etc.) Also try Filey Bay Today and This is the Coast.	CB
2	FTC confirmed they do want a jet ski byelaw and acknowledged it could not be enforced. To be used as a deterrent. CB noted will be subject to statutory consultation and approval of NYC elected members – not a quick process.	CB/KB
3	Request to move motorcycle parking bay one bay left – resulting in loss of one parking bay. To be subject to parking service approval.	Parking
4	Subject to, and only following completion of (3) above, agreed to remove 2 no. timber posts at rear of motorcycle parking bay. To be cut off at ground level.	Parks
5	Agreed to write to the following boat owners to request them to tidy up around their boat and/or remove their boat if no longer in use. Also check insurances etc.	
	Fauthfull (Bay 19) – full of rubbish	
	No name (Bay 20 – out of use	
	No name (Bay 15) – full of water	
	No name (Bay 8) – not moved for 2 years	
	No name (Bay 7) – not moved for 2 years	

	Our Mitzi (Bay 5 ?) – not moved for years. Also move unused nets/pots	
	FY 936 Fowey – not in its berth and may be not in use – to be moved into berth	
6	Look into parking order to restrict delivery hours.	Parking
7	Harbours to revisit the plan proposed by the previous harbour master and move the boats on the left outside the businesses across to the right close to the railings.	GP
8	Parking bays for boats to be realigned on one side in a herringbone layout	AC
9	Parking lines and signage to be reviewed to enable better enforcement.	Parking
10	Marking of commercial areas for fishing boats and area not to be obscured by parked cars to enable better operations.	GP
11	Drains to be unblocked.	Andy Crossley
12	Following drains unblocking, bring in sweeper to sweep area including in between boats. RH to assist with moving boats.	Parks
13	Look into installing some seating against railings. Ensure no conflict with boat parking.	Parks
14	Parking to try to increase parking warden presence in Ravine Road and Coble Landing Area and do more enforcement. Especially in summer season.	Parking
