
NORTH YORKSHIRE COUNCIL TENANT REVIEW GROUP (SCRUTINY) AGENDA 24-11-25

The Panel met in Harrogate and Lucy and Sarah attended. We noted apologies from Nick Harne and he promised to attend the next meeting.

We reviewed the notes and actions from October meeting and no matters arising other than this months agenda items.

We spent the meeting reviewing the report and recommendations and fine tuning. Emma to add in any further strengths to add balance.

Sarah outlined the role of the Housing Improvement Board and felt it appropriate to take the Scrutiny report here ahead of meeting with members as it was the decision making group.

Sarah also noted that the policy amendments were being presented following the Ombudsman's recommendations so it would be timely. Agreed that Barbara, Kim and Leonard to attend the meeting 27-11 from Harrogate offices. Key messages agreed.

NYC to arrange a special meeting with Members in Jan 2026 rather than wait for the March Members scrutiny Committee.

Next steps – Emma to make final amends to the report and recommendations and share with Lucy 24-11 ahead of the Housing Improvement Board 27-11-25.

Date and Time of next meeting – TBC in January where we will reflect on this project, note lessons learnt and plan ahead for project 2. NYC to consider support required from YDC.

It was agreed that the December meeting wasn't needed.

Thanks to all and a very much deserved Merry Christmas.
