A Basic Allowance of £17,340 was paid for 2025/26.

Where the Basic Allowance paid is not £17,340, this is because:

- 1) a councillor not accepting revised increase in the Basic Allowance
- 2) a councillor only serving part of the year due to a by-election.

An appointment to a role that has a Special Responsibility Allowance may occur in-year due to changes in political group membership and roles. In such cases, only a pro-rata payment will be made.

This summary relates to payments made during the 2025/26 financial year. It may include claims for mileage and other expenses incurred in 2024/25 but not reimbursed until 2025/26. Conversely, it may exclude claims for 2025/26 that were not paid until 2026/27.

Some Members chose not to claim travel and subsistence expenses. In addition, some Members donated part or all of their allowances to charitable organisations.

A full description of the Members' Allowances Scheme can be found in the [North Yorkshire Council Constitution at Part 6](#)

Any discrepancies between what has been paid and what is listed in the Constitution is due to rounding.

At its meeting on 13 November 2024, North Yorkshire Council considered a report from the Independent Remuneration Panel, which recommended changes to the allowances paid to councillors for the 2025/26 year. You can view the full agenda and meeting details on the [North Yorkshire Council website](#).
