REASONS FOR MAKING THE ORDER	<p>The Council considers that it is expedient to make this TRO on grounds (a), (c) and (f) above, having taken into account its duty under Section 122(1) of the 1984 Act, for the following reasons: -</p>
LOCATIONS(S) OF PROPOSED ORDER/ OTHER COMMENTS:	<p><u>DIVISION; HARROGATE VALLEY GARDENS AND CENTRAL DIVISION</u></p> <p>Proposal location: Cold Bath Road, Harrogate (A6-TM-TRO2026-H004)</p> <p>Introduction of waiting restrictions to regulate parking improve visibility for motorists exiting neighbouring junctions and improve road safety for all road users. CONSIDERATION OF OBJECTIONS	<p>Under the Council's Constitution, the consideration of objections to a proposed TRO is delegated to the Corporate Director of Environment in consultation with the Environment Executive</p>

Members. For each TRO where there are objections, it will be necessary to bring a report to the Corporate Director and Executive Members seeking a decision on the consideration of the objections. The report will include the views of the relevant local member who will also be invited to the meeting that considers the report. The Corporate Director of Environment may wish to refer the matter to the Council's Executive for a final decision.

A report to the relevant Area Committee will only be necessary when there are objections to a wide area impact TRO.

A wide area impact TRO is defined as a proposal satisfying all of the three criteria set out below:

- The proposal affects more than one street or road and,
- The proposal affects more than one community and,
- The proposal is located within the ward of more than one Councillor.

The report will seek the views of the Area Committee and these views will then be included in a report to the Corporate Director of Environment and the Environment Executive Members seeking a decision on the consideration of the objections. The Corporate Director of Environment may wish to refer the matter to the Executive for a final decision.

The existing arrangements for members of the public wishing to attend or speak at committee meetings will apply and it may be appropriate for the Corporate Director of Environment to have his decision making meetings open to the public, so that the public and in particular those with objections, have the opportunity to put their views across directly.

N.B. The Corporate Director of Environment has delegated powers to make decisions on TROs where there are no objections.
