DECISION NOTICE

**IN THE MATTER OF AN APPLICATION TO REGISTER A STATUTORY
DISPOSITION UNDER SECTION 14 OF THE COMMONS ACT 2006 AND
SCHEDULE 4 PARAGRAPH 8 OF THE COMMONS REGISTRATION
(ENGLAND) REGULATIONS 2014**

APPLICATION REFERENCE NUMBER: CA8 002

**LAND PART OF BLUBBERHOUSE MOOR (CL481) AND
BLUBBERHOUSE MOOR (PART) (CL563)**

An application has been made to North Yorkshire Council by the Highway Authority, North Yorkshire Council under Section 14 of the Commons Act 2006 and in accordance with Schedule 4(8) of the Commons Registration (England) Regulations 2014. The application seeks to register a statutory disposition deregistering 23.98 acres of common land part of Blubberhouse Moor and registering 24.06 acres of moorland scrub in exchange.

No objection was received by the Commons Registration Authority in relation to this application. The application was referred to the Skipton and Ripon Area Planning Committee for determination on 7 July 2026. The committee was satisfied that the application complies with the requirements of Section 14 of the Commons Act 2006 and Schedule 4 Paragraph 8 of the Commons Registration (England) Regulations 2014 and determined that the application be granted.

Therefore, the Common Land Register has been amended to show the deregistration of the 23.98 acres of land from the common land unit, reference CL 481 and the registration of 24.06 acres to this register unit in exchange together with all the rights, trusts and incidents associated with the deregistered land, in accordance with the commons Registration (England) Regulations 2014. As no land registered as Blubberhouse Moor (Part) (CL563) was included in the land to be deregistered or exchanged, this register unit remains unaffected.
