APPLICATION REFERENCE NUMBER: CA3 013 & CA7 015

BURN MOOR (CL211) RIGHT ENTRY 32 AND BURN MOOR (PART OF) (CL305) RIGHT ENTRY 5

An application has been made to North Yorkshire Council by The Right Honourable Mark Thomas Baron Bridges KCVO, John Philip William Farrer, Savills Trust Company Ltd (Trustees of the Dr J A Farrer Discretionary Will Trust) under Section 8 of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014. The application sought to apportion a right of common relating to right entry no. 32 of CL211 and right entry no.5 of CL305. A primary application was also submitted under Section 13 of the Commons Act 2006. This application sought to surrender one part of each of the apportioned rights of common and remove them from the registers of common land for CL211 and CL305.

The Registration Authority is satisfied that application CA3 013 complies with the requirements of Section 8 of the Commons Act 2006 and Schedule 4 Paragraph 3 of the Commons Registration (England) Regulations 2014 and has determined that the application be granted.

The Registration Authority has therefore amended the registers to reflect the apportionment of right entry no. 32 of CL211 and entry no.15 of CL305 to show that of the 93 grazing rights, 84 rights are now registered to The right Honourable Mark Thomas Baron Bridges KCVO, John Philip William Farrer, Savills Trust Company Ltd (Trustees of the Dr J A Farrer Discretionary Will Trust) and 9 rights remain registered to Dr John Anson Farrer, in accordance with the Commons Registration (England) Regulations 2014.

The Registration Authority is also satisfied that primary application CA7 015 complies with the requirements of Section 13 of the Commons Act 2006 and Paragraph 7, Schedule 4 of the Commons Registration (England) Regulations 2014 and has determined that this application also be granted.

The Commons Registration Authority has therefore amended right entry no. 88 of CL211 and entry no.16 of CL305 in accordance with the Commons Registration (England) Regulations 2014 to show that 84 grazing rights have been extinguished and removed from the registers.
