This Order is made by The North Yorkshire Council ('the authority') under section 257 of the Town and Country Planning Act 1990 because it is satisfied that it is necessary to divert the footpath to which this Order relates in order to enable development to be carried out in accordance with planning permission granted under Part III of the Town and Country Planning Act 1990, namely:

2. There shall be created to the reasonable satisfaction of The North Yorkshire Council an alternative highway for use as a replacement for the said Public Footpath as provided in Part 2 of the Schedule and shown by bold black dashes on the attached map.
3. The diversion of the Public Footpath shall have effect on the date on which The North Yorkshire Council certify that the terms of Article 2 above have been complied with, and upon the occurrence of that diversion The Eastern Part of the County of the Former North Riding of Yorkshire Definitive Map shall be modified by deleting from it the path referred to in paragraph 1 of this Order and the path referred to in paragraph 2 of this Order shall be added to it, and the Definitive Statement shall be modified as described in Part 3 of the Schedule.

4. The following works shall be carried out in relation to the highway described in Part 2 of the Schedule: the footpath will be 2m width, with a tarmac surface and tactile paving for crossing points as per HAUC specification.

5. W&W Estates (Ruswarp) Ltd is hereby required to make the payments for the cost of carrying out the said works.

6. Where immediately before the date on which the Public Footpath is diverted there is apparatus under, in, on, over along or across it belonging to statutory undertakers for the purpose of carrying on their undertaking, the undertakers shall continue to have the same rights in respect of the apparatus as they then had.
