

## Consultation on home to school and college transport

We want you to tell us how you feel about possible changes to the way children and young people with SEND in North Yorkshire are transported from their home to school

### **What are the changes that may happen?**

We many need to ask for a contribution of £490 a year to help pay for transport costs for young people with SEND aged between 16 and 18 years old.

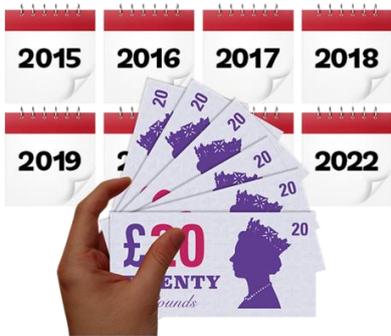

Where we can't take a child or young person with SEND to school, we may start to pay parents/ carers to provide transport instead.

	<h3>Why are we doing this?</h3> <p>We do not have as much money as we used to have and we need to make even more savings.</p> <p>This makes it hard for us to pay for all the things we need to help people. We have to make hard choices about how we spend money.</p>
	<p>We want you to fill in a survey so we know what you think about our ideas on ways to save money on transport.</p>
	<p>The survey is open from Monday 8 January to Monday 2 April 2018 and you will find the questions at the bottom of this leaflet.</p> <p>If you would like a different format, you can contact North Yorkshire County Council Customer Services Centre on 01609 780780 or email <a href="mailto:accessibility@northyorks.gov.uk">accessibility@northyorks.gov.uk</a> and we will send you one.</p> <p>Please feel free to ask someone to help you fill in the survey; this could be a family member, friend, your support worker or anyone else you feel you would like to help you.</p>

  	<p>Please return this completed questionnaire to us in the enclosed prepaid addressed envelope by Monday 2 April 2018.</p> <p>OR</p> <p>You can fill the survey in online at:  <a href="http://www.northyorks.gov.uk/schoolsportsurvey">www.northyorks.gov.uk/schoolsportsurvey</a></p>
