

Consultation on the plan for educating young people with special educational needs and disabilities (SEND) in North Yorkshire

This leaflet is from North Yorkshire County Council.

It tells you about our plan for children and young people with SEND who live in North Yorkshire.

We would like you to read this leaflet.

Then we would like you to tell us what you think about our plan.

	<p>What does our plan say?</p>
	<p>The plan says we have to make sure that all young people SEND can learn.</p> <p>This could be in school.</p> <p>It could be somewhere else if that is better for them.</p>
	<p>The plan says we want young people with SEND to be with their friends.</p> <p>We want them to stay as close to their home as possible.</p>
	<p>The plan says we want to make sure there is enough education support for young people with SEND.</p> <p>It says we will need to have more education places.</p> <p>This means we can support more young people.</p>
	<p>But we must to do this with the money we have.</p>

	<p>Now please tell us what you think of our ideas about what do.</p>

	<p>Idea 1: We will make sure that young people with SEND can be taught and learn in North Yorkshire, in the place that suits them best.</p> <p>What to do you think about this idea?</p>

Idea 2:

We will set up teams of teachers, parents, carers, and people from the council in each local area.

They will get to know and look after young people with SEND in that local area.

This will mean that the team can help the young people they look after more quickly.

Idea 3:

We will plan how we spend the money we have for looking after young people with SEND.

This is so that we can make sure they can learn in the way that suits them best, in the right place.
