

Consultation on the Special Provision Capital Fund

8 January 2018 to 18 February 2018

	<p>Who is this leaflet from?</p> <p>This leaflet is from North Yorkshire County Council.</p>
	<p>What is this leaflet about?</p> <p>It tells you about what we want to do to help young people with special educational needs and disabilities.</p> <p>This is called SEND.</p>
	<p>What would we like you to do?</p> <p>We would like you to read this leaflet.</p> <p>Then we would like you to tell us what you think of our ideas.</p>
	<p>What is happening now?</p> <p>We are getting some money from the government.</p>

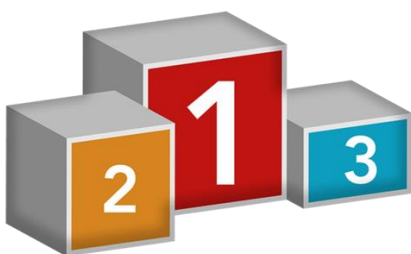

The money is to help us have more school places for young people with SEND with an Education Health and Care Plan.

This is called an EHCP.

Why do we need more school places?

We need more school places because there are more young people with SEND than there used to be.

What are we doing now?

We are going to write a plan that says how will spend the money we are getting.

There will not be enough money to do everything we would like to do.

The plan will say what we think the most important things to spend the money on are.

The plan will be ready in March 2018.

What do we think the plan should say?

We would like the plan to help us make some of our schools better this year.

The plan will also say what we will do to make some of our schools better in 2019 and 2020 - the government will give us some more money to do this.

The schools we want to help in 2018 are:

Springwater school
Springhead school
The Dales school
The Forest school

This is what we would like to do for them.

Springwater school

This school needs more space for pupils.

Springhead school

The classrooms at this school need to be better.

We would like the classrooms to be closer to each other too.

	<p>We want 6 more students to go there in the future.</p>
	<p>The Dales School</p> <p>This school needs more space so we want to do some building work.</p> <p>We want 6 more students to go there in the future.</p>
	<p>The Forest school</p> <p>We want to find out what changes are needed at Forest school. We want 25 more students to go there in the future.</p> <p>Then we will see how many changes we can afford to make in 2019 and 2020.</p>
	<p>What would we like people to do?</p> <p>We would like lots of people to tell us what they think of our plan.</p>

We would like them to fill in a survey to tell us what they think of our plan.

You can fill in the survey on our website.

The website address is
<https://www.northyorks.gov.uk/current-consultations>

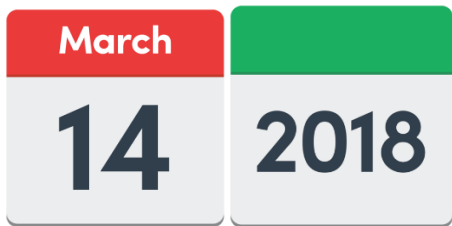

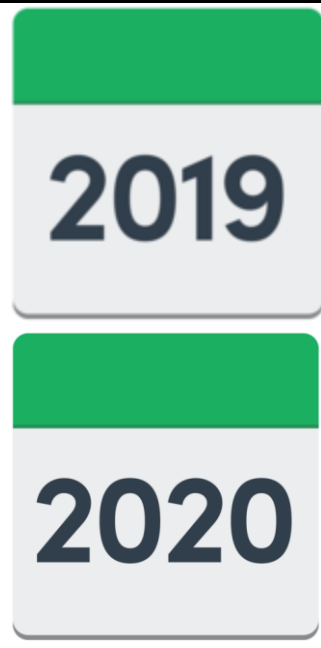

You can also ask us send you a form to fill in.

You can ring us.
The number is 01609 780 780.

You can also email us. The email address is
sarah.whorlton@northyorks.gov.uk

You can fill the survey in until Friday 18 February 2018.

	<p>What happens next?</p> <p>We will look at what everyone has said about our plan, and put it into a report for our county councillors.</p> <p>They will decide whether the plan is OK or if it needs any changes.</p> <p>The final plan for this year will be published on 14 March 2018.</p>
	<p>In 2019 and 2020 we will look again at how to make some of our schools better.</p> <p>We will also ask you to tell us what you think.</p> <p>The plan will then be updated in 2019 and 2020.</p>
	<p>Thank you for reading our leaflet.</p>
