

## **Members attendance and allowance 2017-18 - notes**

### **Note 1**

Attendance figures are the attendance of individual members at meetings of the County Council, the Executive and the Committees to which a member has been appointed. It does not cover attendance at the following:-

Meetings of:

- Committees to which members have not been appointed
- Outside bodies to which members have been appointed
- The Fire Authority
- The Police Authority
- The National Parks Authorities
- Training seminars
- Other sub-committees & working groups.

Reasons for non-attendance may include unavoidable diary clashes, including with other authorities, sickness or other personal reasons including bereavements or family illness.

### **Note 2**

"The North Yorkshire Police and Crime Panel exists to maintain a regular check and balance on the performance of the Police & Crime Commissioner. It is a joint committee of the local authorities in the area and North Yorkshire County Council is the host authority, providing administrative and other support to the panel and its members. Although the panel has 12 members the figures above only relate to the Chair and the two Vice-Chairs of the panel as these are the only roles that attract a special responsibility allowance. These are paid by the North Yorkshire County Council and are funded by a grant from the Home Office."

### **Note 3**

The 2017/18 rate for Basic Allowances was set at £9221 per annum.
