

# Consultation on the implementation of Targeted Mainstream Provisions for children and young people with SEND

6 February – 15 March 2020

	<p><b>Who is this leaflet from?</b></p>
	<p>This leaflet is from North Yorkshire County Council.</p>
	<p><b>What is this leaflet about?</b></p>
	<p>This leaflet is about our ideas for Targeted Mainstream Provisions.</p> <p>The ideas are part of our plan for providing education for children and young people with SEND (Special</p>

	<p>Educational Needs and Disabilities) in North Yorkshire.</p> <p>The ideas are about supporting children and young people with SEND who do not need to go to a special school.</p>
	<p><b>What does Targeted Mainstream Provisions mean?</b></p>
	<p>Targeted Mainstream Provisions means that children and young people with SEND can have lessons in a school closer to their home.</p> <p>They will also be able to get extra help if they need it from trained school and council staff.</p> <p>They will be able to learn with their friends.</p>
	<p><b>What does the plan say?</b></p>
	<p>The plan says we have to make sure that all children and young people with SEND can go to school and learn.</p> <p>The plan says one of the ways we can do this is by making more help available in Targeted Mainstream Provisions.</p>

	<p><b>What does the plan say about Targeted Mainstream Provisions?</b></p>
	<p>It says we need to have more education places so we can support more children and young people with SEND.</p>
	<p>We have two ideas about how we can provide Targeted Mainstream Provision.</p>
	<p><b>Idea one</b> is that we can start to do it by making 72 extra places for children and young people with SEND.</p> <p>We would have these extra places in 9 schools across North Yorkshire.</p> <p>The 9 schools we would like to do this are:</p> <ul style="list-style-type: none"><li>• Alverton School, Northallerton</li><li>• East Whitby Academy</li><li>• Grove Road Community Primary School, Harrogate</li><li>• Holy Family Catholic High School, Carlton</li><li>• Scalby School</li></ul>

	<ul style="list-style-type: none"> <li>• Selby High School</li> <li>• Thirsk School</li> <li>• Wensleydale School, Leyburn</li> <li>• West Cliff Academy, Whitby</li> </ul> <p>We would like to start this from September 2020.</p>
	<p><b>Idea two</b> is that we can support the children and young people using these places.</p> <p>We can do this by making sure they can get any extra help they need.</p> <p>This could include providing different sorts of therapy.</p> <p>It would also include providing educational psychology support.</p>
	<p><b>What would we like you to do?</b></p>
	<p>We would like you to tell us what you think <b>Idea One</b> and <b>Idea Two</b>.</p> <p>We would like you to tell us if you think these ideas will help children and young people with SEND.</p> <p>Then we would like you to tell us if you think the 9 schools could provide Targeted Mainstream Provisions for children and young people with SEND.</p>

	<p>We would also like you to tell us about yourself.</p>	
	<p><b>Thank you for reading this leaflet.</b></p> <p>You can find out more about our ideas for Targeted Mainstream Provisions on our website <a href="#">here</a></p> <p><b>Now please answer our questions.</b></p>
