Personal Budget allocation table - children aged 0-3 years

Updated Sept 2016

Personal Budget allocation table – children aged 0-3 years

A Resource Allocation System questionnaire is not used for young children because their needs are changing so rapidly. The following issues are taken into account by North Yorkshire County Council when deciding on a level of funding.

Band	Issue	Funding
Regular Support	Additional support required to safely access pre-school provision because of complex health needs or displaying challenging behaviour related to their diagnosis, Parents require short breaks from their caring role.	£500- £1500
Significant Support	All of the above (Regular Support) and: Main Carer has other additional caring responsibilities e.g. multiple birth, pre-school children or partner with their own health needs. Significant family circumstances and an assessed need for more frequent short breaks to prevent family breakdown.	£1500 - £2,500
Exceptional Support	All of the above (Significant Support) and: Children with complex health needs or challenging behaviour who are unable to access a pre-school setting even with additional support. Exceptional family circumstances and an assessed need for more frequent short breaks to prevent family breakdown.	£2,500 +
