**5. Tie-breaker**

Where there are places available for some, but not all applicants within a particular criterion, distance from home address to the school entrance will be the deciding factor with those living closer to the school receiving the higher priority. The measurement is made from a fixed point within the dwelling, as identified by Ordnance Survey, to the nearest school entrance.

**6. Right of Appeal**

Where a parent has been notified that a place is not available for a child, the Local Authority will make every effort to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Chair of Governors at the school address.

**7. Home Address**

It is the parental address which will be used in applying the admission criteria. This means that, when stating your choice of school, you should give the parental/guardian address at the time of application. The address of childminders or other family members who may share in the care of your child should not be quoted as the home address.

**8. Waiting List**

If your child has not been awarded a place, they will be placed on a waiting list. If a place becomes available priority will be given according to the above criteria based on the information provided at the time of application. The waiting list will be open until the end of the second week of the autumn term.

**9. Application Information**

Formal written applications for admission must be made on the form provided by the Local Authority and returned to them by the stated date. Places will then be allocated by strict application of the above criteria, with no reference to the date of application. Parents will be notified as to whether or not their child has been allocated a place on 1 March.
