The UCI Road World Championships 2019

The UCI Road World Championships

In September 2019 the world's best cyclists will come to Yorkshire to compete in the UCI Road World Championships. The Championships will include a range of men's and women's races, across age groups from junior to elite, starting in different towns and cities throughout Yorkshire.

The Championships will run from the 21st to the 29th of September 2019, with Harrogate being the focal point for the Championships that will host the finish of every race over these nine days of competition.

Provisional race start venues will also include: Beverley, Bradford, Doncaster, Leeds, Northallerton, Richmond, Ripon, Tadcaster and Wetherby.

As such, providers may experience some disruption to care services both leading up to the event (in the form of resurfacing work on the roads being used), and on the days of the event, where there will be a number of roads being closed for considerable periods of time.

North Yorkshire County Council will be looking to contact care providers in the months leading up to the UCI Road World Championships to review what contingency plans have been put in place to account for any potential difficulties they may face moving around the areas where the races will be passing through. It is anticipated that the most affected area in North Yorkshire will be the stage finish in Harrogate.

North Yorkshire County Council will also arrange a number of Provider Engagement Forums to share information about the event and provide updates and answer queries, where possible. The timetable for the first events in June 2019 are listed below:

Date	Time	Venue
06/06/2019	09:30am 11:30am	– The Hawkhills, Hawkhills Drive, Easingwold, York YO61 3EG
06/06/2019	13:30pm 15:30pm	– Cedar Court Hotel, Queen Building, Park Parade, Harrogate, HG1 5AH

Further information with regards to this event is available on the official UCI Road World Championship website at <https://worlds.yorkshire.com/>
