Please note that by the very nature of the geology of the Northern Yorkshire Dales most of the circular networks will have some degree of difficulty. It is advisable not to ride alone.

**Horse Riding in the Northern Yorkshire Dales**

Swaledale, Arkengarthdale, Lower Wensleydale & Coverdale

These circular rides use existing and well maintained public rights of way which take in some of the most spectacular scenery of the northern Yorkshire Dales including Swaledale, Lower Wensleydale and tributaries. The routes cater for a range of abilities and use mainly bridleways, green lanes and some unclassified county roads. The nature of the countryside in the dales means many of the routes are rugged and hilly. There are limited opportunities to canter but why rush through such fantastic scenery?

Local British Horse Society volunteer John Presgrave devised and mapped the routes with the support of Richmondshire and Bedale Bridleway Group, Public Rights of Way team at North Yorkshire County Council & Yorkshire Dales National Park Authority. The bespoke guide maps are specifically designed for horse rider use and provide an easy-to-follow route from a start point which can be reached by horsebox or trailer. Project logos are on occasional way marker and fingerposts. A PDF guide map for each can be downloaded for printout or loaded to most current smartphones via [www.northyorks.gov.uk/rides](http://www.northyorks.gov.uk/rides). These routes are also part of the British Horse Society (BHS) National Equestrian Route Network which can be accessed via [www.bhs.org.uk](http://www.bhs.org.uk). Information on local accommodation and related amenities can also be found by visiting the BHS website, Welcome to Yorkshire and YDNP websites.
R1 Richmond - Marske
2 circulars including the demanding but rewarding Marske-Fremington Edge loop. Marske-Skelton Moor option is suitable for most riders. Build in time if using the picturesque Richmond link along lower Swaledale to Marske. Richmond to Marske and back makes for a delightful short ride.

R3 Harkerside / Whitaside / Grinton 8-11miles 2-4 hours
2 circulars both taking in the remote lead mined moors with breath-taking views of Swaledale & pastoral stretches above the river Swale. Some steep, stony sections. Be prepared for weather changes at the higher elevations.

R4 Carlton / Melmerby Moor / West Burton 10 miles 3-4 hours
Circular includes a steep and stony climb out of Walden Beck but affords fantastic vistas along most of its length, including Bishopdale, Coverdale and views across to Great Whernside and over to the North York Moors. Pubs / toilets in Carlton & West Burton. Accommodation at Brough Farm, Middleham, nr. Leyburn (see individual guide map).

R5 Thornton Watlass Circular 9 miles 2-3 hours
A very relaxing ride of few gradients and including green lanes. Quiet road stretches mainly offering wide verges. Especially pleasant by the River Ure and with the bonus of a pub en route in Thornton Watlass.

R6 Langthwaite Circulars 5-9 miles 2-4 hours
2 circulars either side of the impressive but remote Arkengarthdale, both of which scale the lead mined moors using old mining tracks, stony in parts, and pass through the picturesque village of Langthwaite. Pub / refreshments / accommodation at end of both circulars. Circular 2 suitable for most riders. Circular 1 requires focus on terrain and navigation over Windegg Ings.

Please note that the promoted routes depicted are maintained to the best possible standards that the local authorities can afford, and whilst every effort has been made to ensure the routes and structures (i.e gates) are of a good standard at the time of launch, we would be grateful for ongoing feedback to ensure these routes continue to be accessible. Please see overleaf for contact numbers.
