

PROPOSED INTRODUCTION OF WAITING RESTRICTIONS-

CROSBY ROAD / THE LINK, NORTHALLERTON.

Statement of Reasons

The County Council as the Highway Authority for North Yorkshire considers that it is expedient to make the Traffic Regulation Order, on one or more of the grounds contained in Section I of the Road Traffic Regulation Act 1984, as indicated below:

- (i) For avoiding danger to persons or other traffic using the road, or for preventing the likelihood of any such danger arising.
- (ii) For improving the amenities of the area through which the road runs.
- (iii) For facilitating the passage on the road of any class of traffic.

The proposal seeks to change the existing limited waiting restriction along the Eastern kerb line of Crosby Road and along with the Southern kerb line of The Link and replace with 'No waiting at any time'. The proposal also seeks to introduce two loading bays along the Western kerb line of Crosby Road introducing 'Loading – no waiting at any time except for loading and unloading'.

The proposals form part of the Treadmills Development.
