The SHG rate and the TCIs are reviewed annually and provided by the Housing Corporation. They can be obtained from Ryedale District Council. The sum payable will be based on the figures applicable in the financial year in which the payment is actually made. Different dwelling types/sizes have their own TCIs. Therefore payment in lieu of provision from sites where a range of dwelling types/sizes would be required, the number of each dwelling type required will be multiplied by its own TCI and the sub-totals added to give a total figure. This figure would then be multiplied by the relevant SHG rate to calculate the sum payable.
