**FIRST SCHEDULE**  
**(Owners' Covenants)**

The Owners hereby jointly and severally covenant with the Council as follows: -

**1 AFFORDABLE DWELLINGS**

**On-Site Provision**

- 1.1 To procure that the Affordable Dwellings be constructed on the Land in accordance with the Planning Permission and approved plans negotiated with a Registered Provider being no less than the relevant Gross Internal Floor Area for each type of Affordable Dwelling for offer of disposal to a Registered Provider or a Substitute Registered Provider at the Agreed Transfer Price on terms and conditions approved in writing by the Council **PROVIDED ALWAYS** that the Owners will not be required to provide more than 5 Affordable Dwellings on the Land.
- 1.2 As soon as reasonably practicable following the Commencement of Development to nominate in writing to the Council for approval by the Housing Services Manager (which approval shall not be unreasonably withheld or delayed) the Registered Provider to some of which the Owners will market the Affordable Dwellings ("**Nomination**") **PROVIDED THAT** if the Council fails to respond substantively to the Nomination within 21 days from the date when the Nomination is delivered to the Council approval of the nomination by the Housing Services Manager will be deemed to have been given. **AND PROVIDED FURTHER THAT** it is agreed that with the Council's prior approval (which approval shall not be unreasonably withheld or delayed) the Owners will be entitled to amend the Nomination by adding or removing Registered Providers from time to time during the course of carrying out the Development.
- 1.3 Within 10 working days of the Council receiving from the Owners a Nomination the Council may notify to the Owners in writing any additional Registered Providers to whom the Owners shall market the Affordable Dwellings.

1.4 The Owners shall as soon as reasonably practicable following a Nomination pursuant to paragraph 1.2 of this Schedule enter into negotiations with those Registered Providers which it has selected from its Nomination and those the Council has added pursuant to paragraph 1.3 (together "the Registered Providers") and use reasonable endeavours to contract to transfer the Affordable Dwellings to be constructed within the Development to such of the Registered Providers which express an interest in acquiring those dwellings as it shall choose at the Relevant Transfer Price Registered Provider

1.5 In the event that the Registered Providers declines or are unable to accept the transfer of some or all of the Affordable Dwellings to be constructed within the Development on the terms of this Agreement or if in the Owners' or the Council's opinion (acting reasonably) insufficient progress is being made towards exchange of contracts with the Registered Providers for the transfer of some or all of the Affordable Dwellings within a period of three months from the date of the offer referred to in paragraph 1.4 of this Schedule the Owners or the Council may give written notice to the other ("**Notice**") and the Owners may select one or more additional Registered Providers from the Nomination (each such Registered Provider being a "Substitute Registered Provider").

1.6 The Owners shall offer to enter into negotiations with the Substitute Registered Provider(s) for the transfer to it of the Affordable Dwellings to be constructed within the Development (or any individual unit or units comprised in the Affordable Dwellings that has/have not been transferred or may not have been contracted to be sold to another Registered Provider) on the terms of this Agreement and if the Substitute Registered Provider declines or is unable to accept the transfer of some or all of the Affordable Dwellings to be constructed within the Development (or any individual unit or units comprised in the Affordable Dwellings that has/have not been transferred or may not have been contracted to be sold to a Registered Provider) within a period of three months from the date of the offer referred to in paragraph 1.5 of this Schedule and the Council acting reasonably is satisfied on the evidence provided by the Owners that the Owners have used reasonable endeavours to transfer the Affordable Dwellings (or any individual unit or units comprised in the Affordable Dwellings that has/have not been transferred or may not have been contracted to be sold to a Registered Provider) to the Substitute Registered Provider and there is no reasonable prospect of securing the transfer of any of the Affordable Dwellings

to be constructed within the Development to a Substitute Registered Provider then the Owners shall be permitted to dispose of the Affordable Dwellings to be constructed within the Development that may not have been contracted to be sold to a Relevant Registered Provider or a Substitute Registered Provider (or any of the Affordable Dwellings that has/have not been transferred or may not have been contracted to be sold to a Registered Provider or a Substitute Registered Provider) individually on the open market free from the restrictions and obligations contained in this Agreement and the Owners shall within 6 weeks of a sale of any of the Affordable Dwellings on the open market pay to the Council the Affordable Housing Contribution attributable to the relevant Affordable Dwelling sold on the open market

1.7 Not to permit (unless the Owners are entitled to dispose of the Affordable Dwellings on the open market in accordance with the provisions of paragraph 1.6 of this Schedule); -

1.7.1 Occupation of more than 4 of the Market Dwellings until the Owners have entered into a binding contract with one or more Registered Providers or Substitute Registered Provider for the disposal of the Affordable Dwellings;

1.7.2 Occupation of more than 12 of the Market Dwellings until the Affordable Dwellings have been constructed and transferred to one or more Registered Providers;

1.8 It shall be a term of the sale of each of the Affordable Dwellings that the Registered Provider and / or the Substitute Registered Provider as the case may be shall not dispose of or cause or permit the disposal of the Affordable Dwellings other than for the purpose of providing a tenancy at: -

1.8.1 a Social Rent or an Affordable Rent (as appropriate) in respect of the Social or Affordable Rented Dwellings; and

1.8.2 an Intermediate Rent in respect of the Intermediate Dwellings to an Eligible Occupier.

1.9 Prior to the transfer of each of the Affordable Dwellings pursuant to this Schedule the Owners shall ensure

- 1.9.1 The relevant Affordable Dwelling is fully serviced and accessible by vehicles and pedestrians.
  - 1.9.2 the grant by the Owners to the Registered Provider or Substitute Registered Provider of full and free rights of access (both pedestrian and vehicular) from the public highway to the relevant Affordable Dwelling;
  - 1.9.3 the grant by the Owners to the Registered Provider or Substitute Registered Provider of full and free rights to the passage of water soil electricity gas and other services through the pipes drains channels wires cables and conduits which serve the relevant Affordable Dwelling and connect the relevant Affordable Dwelling to the relevant main services
  - 1.9.4 a reservation in favour of the Owners of all rights of access and passage of services and rights of entry reasonably necessary for the purposes of the Development
- 10 To supply within 14 working days from the date of the relevant transfer of the Affordable Dwellings to a Registered Provider and / or a Substitute Registered Provider as the case may be a copy of the relevant transfer to the Council.
11. Any transfer of the Affordable Dwellings to a Registered Provider or a Substitute Registered Provider shall contain reasonable provisions ensuring that the Affordable Dwellings remain available at an affordable price for future eligible households, or, if these restrictions are lifted, for the subsidy to be recycled for alternative affordable housing provision but nothing in this schedule shall apply upon: -
  - 1.11.1 The exercise by any person of a statutory right to buy, right to acquire or right to staircase out and acquire a 100% interest in the Affordable Dwellings under the terms of a shared ownership lease based substantially on the Homes and Communities Agency's model lease; or
  - 1.11.2 The exercise of its power of sale by a mortgagee of any of the Affordable Dwellings or the sale by a receiver appointed by a mortgagee of any of the Affordable Dwellings pursuant to statutory powers or the provisions of any mortgage or charge as required by a Court Order; or

1.11.3 Any subsequent disposition of the properties following a disposal falling within paragraphs 1.11.1 or 1.11.2 above.

**Off-Site Housing Provision**

1.12 Not to allow the Occupation of more than 12 Market Dwellings until the Affordable Housing Commuted Sum has been paid to the Council.

## **SECOND SCHEDULE**

### **(Occupancy Criteria)**

Save where the Owners have disposed of the Affordable Dwellings on the open market in accordance with the provisions of clause 1.6 of the First Schedule the Owners shall ensure the Affordable Dwellings are occupied only by persons identified by the Council or a Registered Provider or a Substitute Registered Provider as persons

1. Who have for a period of at least 3 years been ordinarily resident within the Parish of Rillington and/or

**CONDITIONS AND ASSOCIATED REASONS**

- 01 Application for approval of reserved matters shall be made to the Local Planning Authority not later than ...

The development hereby permitted shall be begun on or before whichever is the later of the following dates:-

The expiration of two years from the final approval of the reserved matters or (in the case of approval on different dates) the final approval of the last such matters approved.

Reason:- To ensure compliance with Section 51 of the Planning and Compulsory Purchase Act 2004

- 02 No development shall take place without the prior written approval of the Local Planning Authority of all details of the following matters:-

(i) External Appearance of the development hereby approved

(ii) the landscaping of the site

Reason:- To safeguard the rights of control by the Local Planning Authority in respect of the reserved matters.

- 03 Unless otherwise agreed in writing by the Local Planning Authority, no part of the development hereby approved shall be commenced until the access to the public highway from this application site as approved on application 13/00652/MOUT (or a relevant or substituted or amended application) has been constructed and available for use.

Reason: In the interests of highway safety and to ensure the site has suitable access to the public highway to satisfy Policy SP20 of the Local Plan Strategy.

- 04 Before the development hereby permitted is commenced, or such longer period as may be agreed in writing with the Local Planning Authority, details and samples of the materials to be used on the exterior of the building the subject of this permission shall be submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure a satisfactory external appearance and to satisfy the requirements of Policies SP16 and SP20 of the Local Plan Strategy.

- 05 Prior to the commencement of the development hereby permitted, the developer shall construct on site for the written approval of the Local Planning Authority, a one metre square free standing panel of the external walling to be used in the construction of building. The panel so constructed shall be retained only until the development has been completed

Reason: To ensure a satisfactory external appearance and to satisfy the requirements of Policies SP16 and SP20 of the Local Plan Strategy.

- 06 Prior to the commencement of the development, details of all windows, doors and garage doors, including means of opening, depth of reveal and external finish shall be submitted to and approved in writing by the Local Planning Authority

Reason: To ensure an appropriate appearance and to comply with the requirements of Policies SP16 and SP20 of the Local Plan Strategy.

- 07 Before any part of the development hereby approved commences, plans showing details of landscaping and planting schemes shall be submitted to and approved in writing by the Local Planning Authority. The schemes shall provide for the planting of trees and shrubs and show areas to be grass seeded or turfed where appropriate to the development. The submitted plans and/or accompanying schedules shall indicate numbers, species, heights on planting, and positions of all trees and shrubs including existing items to be retained.. All planting, seeding and/or turfing comprised in the above scheme shall be carried out in the first planting season following the commencement of the development, or such longer period as may be agreed in writing by the Local Planning Authority. Any trees or shrubs which, within a period of five years from being planted, die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar sizes and species, unless the Local Planning Authority gives written consent to any variation.

Reason: To enhance the appearance of the development hereby approved and to comply with the requirements of Policy SP20 of the Local Plan Strategy.

- 08 Before the commencement of the development hereby permitted, or such longer period as may be agreed in writing with the Local Planning Authority, full details of the materials and design of all means of enclosure shall be submitted to and approved in writing by the Local Planning Authority. Thereafter these shall be erected prior to the occupation of any dwelling to which they relate.

Reason:- To ensure that the development does not prejudice the enjoyment by the neighbouring occupiers of their properties or the appearance of the locality, as required by Policy SP20 of the Local Plan Strategy.

APPN NO: 16/00354/MOUT

- 09 No development shall take place until works have been carried out to provide adequate facilities for the disposal of domestic waste, in accordance with details to be submitted to and approved by the Local Planning Authority.

Reason:- To ensure that the development can be properly drained without damage to the local water environment, and to satisfy Policy SP20 of the Local Plan Strategy and the National Planning Policy Framework.

- 10 Unless otherwise agreed in writing with the Local Planning Authority, development shall not commence until actual or potential land contamination at the site has been investigated and a Phase 1 Desk Study Report has been submitted to and approved in writing by the Local Planning Authority. Should further intrusive investigation be recommended in the Phase 1 Report or be required by the Local Planning Authority, development shall not commence until a Site Investigation Report and if required, or requested by the Local Planning Authority, a Remediation Scheme has been submitted to and approved in writing by the Local Planning Authority. Reports shall be prepared in accordance with Contaminated Land Report 11 and BS 10175(2011) Code of Practice for the Investigation of Potential Contaminated Sites. The development shall not be occupied until the approved remediation scheme has been implemented and a verification report detailing all works carried out has been submitted to and approved in writing by the Local Planning Authority.

Reason:- In order to fully take account of potential contamination and to satisfy Policy SP20 of the Local Plan Strategy and the National Planning Policy Framework.

- 11 Notwithstanding the submitted drainage feasibility study and prior to the commencement of the development full details of the method of draining the site shall be submitted to and approved in writing with the Local Planning Authority.

Reason: To ensure the site can be effectively drained and to satisfy Policy SP20 of the Local Plan Strategy and the National Planning Policy Framework.

- 12 A) No demolition/development shall take place/commence until a Written Scheme of Investigation has been submitted to and approved by the Local Planning Authority in writing. The scheme shall include an assessment of significance and research questions; and:

1. The programme and methodology of site investigation and recording
2. Community involvement and/or outreach proposals
3. The programme for post investigation assessment
4. Provision to be made for analysis of the site investigation and recording
5. Provision to be made for publication and dissemination of the analysis and records of the site investigation
6. Provision to be made for archive deposition of the analysis and records of the site investigation
7. Nomination of a competent person or persons/organisation to undertake the works set out within the Written Scheme of Investigation.

B) No demolition/development shall take place other than in accordance with the Written Scheme of Investigation approved under condition (A).

C) The development shall not be occupied until the site investigation and post investigation assessment has been completed in accordance with the programme set out in the Written Scheme of Investigation approved under condition (A) and the provision made for analysis, publication and dissemination of results and archive deposition has been secured.

Reason:- The site is of archaeological interest and investigation/protection and observation of the site is required by the provisions of PPG16 - Archaeology and planning.

- 13 The development shall be undertaken in accordance with Section 10 of the Ecological Assessment by MAB submitted with the application dated February 2016 with details to be submitted to and approved in writing by the Local Planning Authority prior to such relevant works.

Reason: In order to fully address the impact upon protected species and to satisfy Policy SP14 of the Local Plan Strategy and the National Planning Policy Framework.

- 14 Prior to the commencement of the development, a drawing indicating the alignment of the protective fencing in accordance with the recommendations in BS 5837:2012 around trees to be retained shall be submitted to the Local Planning Authority for approval in writing. Unless otherwise agreed in writing with the Local Planning Authority the approved fencing shall be erected prior to the commencement of the development including any demolition or soil stripping and shall be labelled 'Tree protection area – keep out'. Once erected the fencing shall remain in-situ until the completion of the development.

Reason:- To ensure that the trees to be retained are not damaged as a consequence of the development, and in accordance with Policy SP20 of the Local Plan Strategy.

- 15 Prior to the commencement of the development hereby approved precise details of the existing ground levels and the proposed finished ground floor levels measured in relation to a fixed datum point shall be submitted to and approved in writing by the Local Planning Authority.

Reason:- In order to ensure a satisfactory external appearance and to satisfy SP20 of the Local Plan Strategy.

- 16 Any surface water discharge into Rilington Beck shall not exceed 1.4litres/second.

Reason: In order to protect against flooding within the IDB network and to satisfy Policy SP17 of the Local Plan Strategy and NPPF.

- 17 No development shall take place until a detailed design and associated management and maintenance plan of surface water drainage for the site based on sustainable drainage principles and an assessment of the hydrological context of the development has been submitted to and approved in writing by the Local Planning Authority. The surface water drainage design should demonstrate that the surface water runoff generated during rainfall events up to and including the 1 in 100 years rainfall event, to include for climate change and urban creep, will not exceed the runoff from the undeveloped site following the corresponding rainfall event. The approved drainage

system shall be implemented in accordance with the approved detailed design prior to completion of the development.

The scheme to be submitted shall demonstrate that the surface water drainage system(s) are designed in accordance with the standards detailed in North Yorkshire County Council SuDS Design Guidance (or any subsequent update or replacement of that document).

Reason: To prevent the increased risk of flooding; to ensure the future maintenance of the sustainable drainage system, to improve and protect water quality and improve habitat and amenity and to satisfy Policy SP17 of the Local Plan Strategy and NPPF.

- 18 The development hereby permitted shall be carried out in accordance with the following approved plan(s):

Reason: For the avoidance of doubt and in the interests of proper planning.

- 19 Unless otherwise approved in writing by the Local Planning Authority, there shall be no excavation or other groundworks, except for investigative works or the depositing of material on the site, until the following drawings and details have been submitted to and approved in writing by the Local Planning Authority in consultation with the Highway Authority:

a. Detailed engineering drawings to a scale of not less than 1:500 and based upon an accurate survey showing:

- the proposed highway layout including the highway boundary
- dimensions of any carriageway, cycleway, footway, and verges
- visibility splays
- the proposed buildings and site layout, including levels
- accesses and driveways
- drainage and sewerage system
- lining and signing
- traffic calming measures
- all types of surfacing (including tactiles), kerbing and edging.

b. Longitudinal sections to a scale of not less than 1:500 horizontal and not less than 1:50 vertical along the centre line of each proposed road showing:

- the existing ground level
- the proposed road channel and centre line levels

Mr John Cook & Mr Matthew Wrigley

- full details of surface water drainage proposals.

c. Full highway construction details including:

- typical highway cross-sections to scale of not less than 1:50 showing a specification for all the types of construction proposed for carriageways, cycleways and footways/footpaths
- when requested cross sections at regular intervals along the proposed roads showing the existing and proposed ground levels
- kerb and edging construction details
- typical drainage construction details

d. Details of the method and means of surface water disposal.

e. Details of all proposed street lighting.

f. Drawings for the proposed new roads and footways/footpaths giving all relevant dimensions for their setting out including reference dimensions to existing features.

g. Full working drawings for any structures which affect or form part of the highway network.

h. A programme for completing the works.

The development shall only be carried out in full compliance with the approved drawings and details unless agreed otherwise in writing by the Local Planning Authority in consultation with the Highway Authority.

Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and to secure an appropriate highway constructed to an adoptable standard in the interests of highway safety and the amenity and convenience of highway users.

- 20 No dwelling to which this planning permission relates shall be occupied until the carriageway and any footway/footpath from which it gains access is constructed to basecourse macadam level and/or block paved and kerbed and connected to the existing highway network with street lighting installed and in operation.

The completion of all road works, including any phasing, shall be in accordance with a programme approved in writing with the Local Planning Authority in consultation with the Highway Authority before the first dwelling of the development is occupied.

Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and to ensure safe and appropriate access and egress to the dwellings, in the interests of highway safety and the convenience of prospective residents.

- 21 There shall be no access or egress by any vehicles between the highway and the application site until full details of any measures required to prevent surface water from non-highway areas discharging on to the existing or proposed highway together with a programme for their implementation have been submitted to and approved in writing by the Local Planning Authority in consultation with the Highway Authority. The works shall be implemented in accordance with the approved details and programme.

Reason: In accordance with Policy SP20 of the Ryedale Plan - Local Plan Strategy and in the interests of highway safety

- 22 There shall be no movement by construction or other vehicles between the highway and the application site (except for the purposes of constructing the initial site access) until that part of the access(es) extending 20 metres into the site from the carriageway of the existing highway has been made up and surfaced in accordance with the approved details and/or Standard Detail number A1 and the published Specification of the Highway Authority. All works shall accord with the approved details unless otherwise approved in writing by the Local Planning Authority in consultation with the Highway Authority. Any damage during use of the access until the completion of all the permanent works shall be repaired immediately.

Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and to ensure a satisfactory means of access to the site from the public highway in the interests of vehicle and pedestrian safety and convenience.

- 23 There shall be no access or egress by any vehicles between the highway and the application site (except for the purposes of constructing the initial site access) until splays are provided giving clear visibility of 43 metres measured in each direction along the adjacent channel line of the major road Low Moorgate from a point measured 2.4 metres down the centre line of the access road. The eye height will be 1.05 metres and the object height shall be 0.6 metres. Once created, these visibility areas shall be maintained clear of any obstruction and retained for their intended purpose at all times.

Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and in the interests of road safety.

- 24 There shall be no access or egress by any vehicles between the highway and the application site (except for the purposes of constructing the initial site access) until visibility splays providing clear visibility of 2 metres x 2 metres measured down each side of the access and the back edge of the footway of the major road have been provided. The eye height will be 1.05 metre and the object height shall be 0.6 metres. Once created, these visibility areas shall be maintained clear of any obstruction and retained for their intended purpose at all times.

Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and the interests of road safety to provide drivers of vehicles using the access and other users of the public highway with adequate inter-visibility commensurate with the traffic flows and road conditions.

- 25 No dwelling shall be occupied until the related parking facilities have been constructed in accordance with the approved drawing number AP180:102 Rev. C. Once created these parking areas shall be maintained clear of any obstruction and retained for their intended purpose at all times.

Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and to provide for adequate and satisfactory provision of off-street accommodation for vehicles in the interest of safety and the general amenity of the development.

- 26 Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 or any subsequent Order, the garage(s) shall not be converted into domestic accommodation without the granting of an appropriate planning permission.

Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and to ensure the retention of adequate and satisfactory provision of off-street accommodation for vehicles generated by occupiers of the dwelling and visitors to it, in the interest of safety and the general amenity the development.

- 27 There shall be no access or egress by any vehicles between the highway and the application site until details of the precautions to be taken to prevent the deposit of mud, grit and dirt on public highways by vehicles travelling to and from the site have been submitted to and approved in writing by the Local Planning Authority in consultation with the Highway Authority. These facilities shall include the provision of wheel washing facilities where considered necessary by the Local Planning Authority in consultation with the Highway Authority. These precautions shall be made available before any excavation or depositing of material in connection with the construction commences on the site and be kept available and in full working order and used until such time as the Local Planning Authority in consultation with the Highway Authority agrees in writing to their withdrawal

Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and to ensure that no mud or other debris is deposited on the carriageway in the interests of highway safety.

- 28 Unless otherwise approved in writing by the Local Planning Authority, there shall be no HCVs brought onto the site until a survey recording the condition of the existing highway (Low Moorgate - from the junction with the A64 up to and including the proposed site entrance) has been carried out, together with a schedule of monitoring inspections and carrying-out of identified repairs during the construction period as covered by the overall programme of completing the development works in a manner approved in writing by the Local Planning Authority in consultation with the Highway Authority.

Reason : In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and in the interests of highway safety and the general amenity of the area

- 29 Unless approved otherwise in writing by the Local Planning Authority there shall be no establishment of a site compound, site clearance, demolition, excavation or depositing of material in connection with the construction on the site until proposals have been submitted to and approved in writing by the Local Planning Authority for the provision of:

a. on-site parking capable of accommodating all staff and sub-contractors vehicles clear of the public highway

b. on-site materials storage area capable of accommodating all materials required for the operation of the site.

c. The approved areas shall be kept available for their intended use at all times that

construction works are in operation.

Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and to provide for appropriate on-site vehicle parking and storage facilities, in the interests of highway safety and the general amenity of the area.

- 30 No development for any phase of the development shall take place until a Construction Method Statement for that phase has been submitted to, and approved in writing by, the Local Planning Authority in consultation with the Local Highway Authority. The approved Statement shall be adhered to throughout the construction period for the phase. The statement shall provide for the following in respect of the phase:
- a. the parking of vehicles of site operatives and visitors
  - b. loading and unloading of plant and materials
  - c. storage of plant and materials used in constructing the development
  - d. erection and maintenance of security hoarding including decorative displays and facilities for public viewing where appropriate
  - e. wheel washing facilities
  - f. measures to control the emission of dust and dirt during construction
  - g. a scheme for recycling/disposing of waste resulting from demolition and construction works
  - h. a limiting schedule of timing and frequency for arrival and departure of all construction delivery traffic during an agreed working week.
- Reason: In accordance with policy SP20 of the Ryedale Plan - Local Plan Strategy and in the interests of highway safety and the general amenity of the area.

#### INFORMATIVE(S)

- 01 The applicant / developer is advised to adhere to the Considerate Construction Scheme
- 02 The applicant/developer is advised that the designs and appearance of the proposed dwellings is not approved and these issues will be considered at Reserved Matters Stage
- 03 In imposing condition number above it is recommended that before a detailed planning submission is made a draft layout is produced for discussion between the applicant, the Local Planning Authority and the Highway Authority in order to avoid abortive work. The agreed drawings must be approved in writing by the Local Planning Authority for the purpose of discharging this condition.
- 04 You are advised that a separate licence will be required from the Local Highway Authority in order to allow any works in the adopted highway to be carried out. The 'Specification for Housing and Industrial Estate Roads and Private Street Works' published by North Yorkshire County Council, the Highway Authority, is available at the County Council's offices. The local office of the Highway Authority will also be pleased to provide the detailed constructional specification referred to in this condition.
