

Pre-Submission Publication Selby District Local Plan (August 2022)

What is the Selby District Local Plan?

The Selby District Local Plan sets out where new development will take place, as well as the local planning policies for determining planning applications and other development applications submitted to the Council. Sites allocated to be developed as well as areas for protection are identified on the Policies Map.

What is the Pre-Submission Publication Local Plan?

The Pre-Submission Publication Local Plan (or just known as the Publication Plan) is the version of the Local Plan that the Council proposes to formally 'submit' to the Secretary of State for Examination. The Council has considered all the responses received at all previous consultations in 2020 and 2021 and has made its decision regarding the policies and development proposals based on the evidence provided. By being involved in the Local Plan process at these earlier informal stages of consultation, you will have helped to shape the development direction of your neighbourhood and the District.

What are the Plans for Barlby and Osgodby?

The proposals for Barlby and Osgodby are shown on the maps overleaf. Together Barlby and Osgodby are defined as a combined Tier 1 Village in the settlement hierarchy. There is one allocated site for residential development in Barlby (BARL-K) for 30 dwellings, whilst Osgodby has 4 allocated sites for residential development totalling 138 dwellings (OSGB-C for 20 dwellings, OSGB-D for 25 dwellings, OSGB-G for 21 dwellings and OSGB-I for 72 dwellings). Each residential allocation will provide a minimum of 20% affordable new homes on site and will be expected to provide a well-designed development creating a strong sense of place. The design of the new homes in Osgodby are to have regard to the Osgodby Village Design Statement and be set back behind front gardens. There is also an allocation for a special educational needs and disability school in Osgodby (OSGB-N).

For more information about the proposals and the policies for the sites, please use the reference number on the Policies Map (overleaf) and refer to the main Local Plan document for details available on the Council's Consultation Portal at: <https://selby-consult.objective.co.uk/kse>.

How did you decide on which sites to choose for allocations?

Landowners and developers submitted sites to us which have been assessed through the Site Assessment Methodology. This plan (right) shows all the sites we had to assess and to choose from.

What is this consultation?

This consultation is the formal consultation on the Publication Local Plan (known as Regulation 19 stage) before the Local Plan is formally Submitted to the Secretary of State for Examination by an independent Planning Inspector. The Publication consultation stage is your opportunity to say whether you think the Local Plan complies with the relevant legal requirements including the Duty to Cooperate and is 'sound' (these are defined in the Government's National Planning Policy Framework).
