

Pre-Submission Publication Selby District Local Plan (August 2022)

What is the Selby District Local Plan?

The Selby District Local Plan sets out where new development will take place, as well as the local planning policies for determining planning applications and other development applications submitted to the Council. Sites allocated to be developed as well as areas for protection are identified on the Policies Map.

What is the Pre-Submission Publication Local Plan?

The Pre-Submission Publication Local Plan (or just known as the Publication Plan) is the version of the Local Plan that the Council proposes to formally 'submit' to the Secretary of State for Examination. The Council has considered all the responses received at all previous consultations in 2020 and 2021 and has made its decision regarding the policies and development proposals based on the evidence provided. By being involved in the Local Plan process at these earlier informal stages of consultation, you will have helped to shape the development direction of your neighbourhood and the District.

What are the Plans for Carlton?

The proposals for Carlton are shown on the map overleaf. Carlton is identified as a Tier 1 Village in the settlement hierarchy. Land north of Mill Lane is an allocated site to provide 150 dwellings (CARL-G). Development of this site will be expected to be well-designed creating a strong sense of place and with dedicated spaces for wildlife. Bungalows are to be provided in proximity to the existing development at Broadacres with no more than 2 storey dwellings throughout the rest of the site. The development will be set back from Mill Lane in the south-east corner of the site and will include landscaping to maintain the rurality and context of both the village and Carlton Towers Parkland, as well as providing a home for wildlife. A minimum of 10% of the dwellings are to be affordable dwellings. Financial contributions will be necessary for additional early years, primary, secondary and Special Educational Needs and Disability (SEND) school places arising as a result of this development. For more information about the proposals and the policies for the sites, please use the reference number on the Policies Map (overleaf) and refer to the main Local Plan document for details available on the Council's Consultation Portal at: <https://selby-consult.objective.co.uk/kse>.

How did you decide on which sites to choose for allocations?

Landowners and developers submitted sites to us which have been assessed through the Site Assessment Methodology. This plan (right) shows all the sites we had to assess and to choose from.

What is this consultation?

This consultation is the formal consultation on the Publication Local Plan (known as Regulation 19 stage) before the Local Plan is formally Submitted to the Secretary of State for Examination by an independent Planning Inspector. The Publication consultation stage is your opportunity to say whether you think the Local Plan complies with the relevant legal requirements including the Duty to Cooperate and is 'sound' (these are defined in the Government's National Planning Policy Framework).
