**Comment & proposed changes to the Plan:**

*(continue on a separate page if necessary)*

**Generally support the plan but would make the additional comments that the pan should give a clear stance that it opposes the proposed Heronby development as it goes against all the environmental and ecological issues raised in the plan along with making the A19 totally unusable.**

**I would also like to see a firm commitment to provide some form of traffic measure implemented to make the A19 skipwith road junction a lot safer for pedestrians and traffic**
