

Pre-Submission Publication Selby District Local Plan (August 2022)

What is the Selby District Local Plan?

The Selby District Local Plan sets out where new development will take place, as well as the local planning policies for determining planning applications and other development applications submitted to the Council. Sites allocated to be developed as well as areas for protection are identified on the Policies Map.

What is the Pre-Submission Publication Local Plan?

The Pre-Submission Publication Local Plan (or just known as the Publication Plan) is the version of the Local Plan that the Council proposes to formally 'submit' to the Secretary of State for Examination. The Council has considered all the responses received at all previous consultations in 2020 and 2021 and has made its decision regarding the policies and development proposals based on the evidence provided. By being involved in the Local Plan process at these earlier informal stages of consultation, you will have helped to shape the development direction of your neighbourhood and the District.

What are the Plans for Kellington?

The proposals for Kellington are shown on the map overleaf. Kellington is identified as a Tier 2 Village in the settlement hierarchy. Land south of Lunn Lane (KELL-B) is allocated for 60 new homes. Neighbouring villages of Eggborough and Whitley are combined as a Tier 1 Village in the settlement hierarchy where 40ha of brownfield land at Eggborough Power Station is allocated for employment development (EGGB-AA), and two sites are allocated for residential development: Teasle Hall Farm, Weeland Road for 35 dwellings (EGGB-S) and Land west of Kellington Lane (EGGB-Y) for a settlement extension of up to 1500 new dwellings by 2048 (approximately 945 in the Plan period to 2040). This settlement extension will include educational facilities, open spaces, allotments, and children's play space as well as a new local centre with community and local shopping facilities. A new Strategic Countryside Gap is defined between this settlement extension and Kellington village. For more information about the proposals and the policies for the sites, please use the reference number on the Policies Map (overleaf) and refer to the main Local Plan document for details available on the Council's Consultation Portal at: <https://selby-consult.objective.co.uk/kse>.

How did you decide on which sites to choose for allocations?

Landowners and developers submitted sites to the District Council which were then assessed through the Site Assessment Methodology. This plan (right) shows all the sites to assess and to choose from in Kellington.

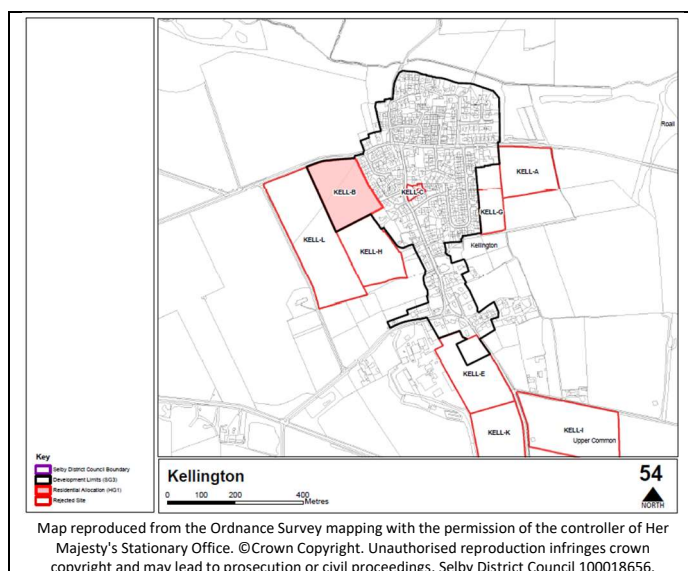

What is this consultation?

This consultation is the formal consultation on the Publication Local Plan (known as Regulation 19 stage) before the Local Plan is formally Submitted to the Secretary of State for Examination by an independent Planning Inspector. The Publication consultation stage is your opportunity to say whether you think the Local Plan complies with the relevant legal requirements, including the Duty to Cooperate and is 'sound' (these are defined in the Government's National Planning Policy Framework).
