Dear Mr Brown

## INTENTION TO PREPARE NEIGHBOURHOOD PLAN

I write on behalf of Gargrave Parish Council to register the Council's intention to draw up a Neighbourhood Plan.

Gargrave Parish Council forms a relevant body for the purposes of section 61G of the Town and Country Planning Act 1990, as amended by the Localism Act 2011.

I attach a boundary plan of the proposed neighbourhood plan area which corresponds to the Gargrave parish boundary.

Following consultation with local residents on preparing a neighbourhood plan, suggestions were made on a wide variety of issues that the plan might address regarding land use in the area. It was felt that the whole parish area with its mix of land uses is therefore appropriate to be designated as the neighbourhood area.

A further letter of notification has been sent to the Yorkshire Dales National Park Planning Policy Team as a small area of the parish comes within the National Park (as marked on the boundary plan). I attach a copy of letter sent to them.

I look forward to receiving your acknowledgment of receipt of this letter together with any response.

Yours sincerely

Helen Carruthers  
Clerk to the Parish Council
